Seven Days Until I Say I Do

Dear Parents of the Groom,

Thank you so much for taking the time to be part of this special keepsake.

Your son's wedding day is such a meaningful moment — not just for the couple, but for the families who have loved and supported them along the way. This booklet gives you a chance to create a personalised countdown for your future daughter in law whether it be little stories, and personal touches that only you know.

Every answer you give, whether big or small, will help us create a beautiful, personalised "Seven Days Until I Say I Do" wedding countdown gift that the couple can treasure forever. There are no right or wrong answers — just write whatever comes naturally.

Once you have chosen your themes email me and we can chat about next steps.

Thank you again for helping to make this gift so heartfelt.

Your words will make it truly one-of-a-kind.

Warmest wishes,

Margaret
