

ADDENDUM TO ASSOCIATION BYLAWS

On April 1, 2019 the Homeowner's Association voted and agreed to raise the monthly dues for the association to \$175.00 per month.

Linda Elder, President

Sherry Coffey, Treasurer

Locust Park Village Condominium Association

BYLAWS ADDITION

Dated September 26, 2018

The following shall be added to the ByLaws of the Locust Park Village Condominium Association:

- 1. Gasoline and gas generators cannot be used or stored on the property of the Locust Park Village Condominium Association.**
- 2. In the case of power outage: at no time will a power generator be connected to either the electrical power system or gas line of any individual unit.**

The foregoing addition was unanimously adopted by the Locust Park Village Condominium Association at a special meeting on September 26, 2018.

Linda Elder

President

To all Locust Park Condo residents:

Just a reminder to all residents considering installation of a satellite dish. The standards set forth by the Homeowner's Association for the installation of a satellite dish are as follows:

1. The dish must not be larger than 20 inches in diameter.
2. It must be placed on the gable end of the garage.
3. A mounting board must be installed at the peak of the gable for the bracket/dish to be attached. DO NOT attach the bracket/dish directly to the siding.
4. The cable from the dish must be routed through the mounting board and siding into the garage attic. Hole drilled for cable must be sealed to prevent water damage.

If you have questions regarding satellite dish installation please contact HOA board member.
