### 2019 Report - Aaron Bailey

Major change brings with it many unique challenges and as a region, delivering the Future Direction Football and Netball document in a timely manner, will be crucial in embedding all competitions. Key to this will be fast tracking competitive balance across our senior football competitions, particularly in Premier Division. The introduction of a graded under 18 competition in 2020 will be the first of several steps to facilitate this. Divisional Football provides clubs with the ability to find their level and rebound after difficult years. There is no better example of this than Doveton's historic premiership victory, after failing to win a game in 2018. Their win against rivals Pakenham, in one of the best grand finals in recent memory, highlights what can be achieved when clubs are able to reestablish at their level. Over the next few seasons, competitive balance will be found as clubs find their level.

Developing new clubs in the Casey Cardinia region will be vital in ensuring competitive balance is achieved. The development of Berwick Springs as a new senior club is the first step in this process. 2020 will see the club enter a full compliment of teams across football and netball, the first new club in Casey in some time. Continuing to develop clubs through these growth areas is a key priority in the short and long term.

Vital in ensuring competitive senior competitions is the continual investment in growth and development in junior football. Our growth in junior participants over the past three seasons has been substantial, up over 30 teams and 1000 participants. Pleasingly we have bucked state trends with strong growth in male participants, matching the increases seen across all female age groups. This growth has been achieved through several key factors; improvement in player retention, increased quality offered through junior representative programs, the work of our junior clubs and volunteers and the introduction of grading in junior football. Grading of age groups has seen average margins decrease significantly and a greater variety in clubs competing in finals and grand finals. Steep junior participation increases have presented unique challenges, particularly around key areas such as fixturing, which will be a key focus area of improvement in 2020.

The improvement in the quality of our junior representative programs, in both football and netball and led by our Development Managers, Danny Ryan and Greg Heinrich, has provided junior participants improved access to the talent

pathway. The coaching and development programs offered now across both sports is starting to pay dividends, with greater representation at both NAB League and VNL level. This will also have positive outcomes at club level in producing senior footballers and netballers for our clubs. The success of our Under 15 Association championship team, winning the state title, highlights the quality of competition available to our netballers in the region. Congratulations to Greg and his team on an outstanding result.

Female participation remains a strength of our region and our competitions, making up fifty percent of our total participation. This will only grow in the years to come, with the introduction of Junior netball through our new clubs. Providing a clear pathway from junior netball to senior netball is a key pillar of the commission's future direction and an area we will work extensively with clubs to grow. Providing netball as an option at Under 13,15 and 17 level in our communities will provide long term sustainability and viability for netball in the region, particularly as we move towards netball equalisation from Season 2020. Female and Women's football is now a viable choice for the women in our community, with AFL Outer East having its own women's competition for the first time. In 2020, this will grow to see stand alone female competitions in both Junior and Senior football. For the first time, we now offer genuine choice for women in our region to be part of our clubs in every capacity, be that as a player, coach, volunteer or supporter. Our clubs and the region are better for it.

As our competition continues to grow, so must the facilities available for clubs to play on and for programs like finals and interleague to be trained and played at. Soon to be released, the Melbourne East Regional Australian Rules Facility Strategy will assist and support key projects across the region and allow us to continue to support the investment in local footy and netball facilities we are seeing across our region. Local councils continue to be the single biggest investor in sporting facilities and where we can work cooperatively together with councils, government and AFL Victoria, significant gains will continue to be made. AFL Outer East now enjoys state of the art office and training facilities with its move to Kilsyth Recreation Reserve. This project, with Federal, State, Council and AFL Victoria support, provides a long term, sustainable home for both the AFL Outer East Commission and Eastern Ranges.

Monbulk's facility development is a great example of the quality of projects being delivered by local and state government. The connection with community, through its Wall of Support, supporting the health and wellbeing of the Monbulk community, is an example of how facility developments extend past football netball communities. Ongoing improvements of facilities looks assured, with new projects slated across the region, including Wandin, Mt Evelyn, Gembrook Cockatoo, Officer and Pakenham.

# AFL OUTER EAST RGM

### 2019 Report continued

Sustainable and viable clubs are crucial for the long-term sustainability of the region. Key to this is continuing to find ways to bring down costs, increase investment in volunteer training and development and offering of programs that support both clubs and participants. Leading the Change is one such initiative that provides support in both mental health/wellbeing and respectful relationships across our region. Now in its second year, the program provides great support for clubs and participants, whilst making our clubs and communities more welcoming and inclusive. As a region, we have a responsibility to invest corporate funding back into our communities. This will increase further in 2020, with investment in club strategic plans and a new welfare program focusing on healthy club environments with alcohol. We thank our major partners in the welfare space, Yarra Valley Water, Eastern Health and Sport and Life Training (SALT) for their ongoing support of our clubs and community.

Investment such as these in our clubs and our people requires AFL Outer East to perform at a consistently high level, both operationally and financially. Our financial performance this year has exceeded expectations. Not only has the organisation recorded an operating profit of \$177,243, we have been able to clear all debts and write off all discontinued stock. This provides a strong foundation now to reinvest back into our clubs, with a focus on lowering club costs. The AFL announcement on the removal of affiliation fees from AFL Victoria charges is the first step of many in creating improved affordability and easing the burden on volunteers. Aged debtors remain the major risk to our business and is an area we will work with clubs on to improve in 2020. As it sits, this creates a need for the commission to build its cash reserves to manage the short fall each year, money better placed to be reinvested in staffing, clubs and programs.

The growth in participation and competition size has allowed the commission to extend its corporate partner network. We welcomed three new Competition sponsors this year, in Totally Work Wear Berwick and Knoxfield, Hallam and Bayswater Truck Centre and ATC Traffic, as well as Gumbuya World as Finals Sponsor. Bendigo Bank, Yarra Valley Water, Glenbrae Signs, Yarra Valley Racing, Leisure Pools, Coldstream Brewery, Bluegum, Mega Diesel, Tara Press, Project, Sherwood, TLA, All Trophies and Yarra Valley and Croydon Toyota all continued their long and proud associations with our region in 2019. We are thankful and grateful for such strong relationships with major organisations in our region.

Another key focus for our organisation is building a staff that can drive and deliver our strategic and future direction. Over the past three years we have grown from a team of three to a team of eight dedicated, diverse people who are driven to make this commission the very best it can be. It is a team made up of quality people who meet and act under our core values - Accountable, Approachable, Supportive, Connected, Trusted.

We welcomed several new staff members this year, who have been outstanding additions for the region. Matt Fotia has taken our media to a new level and has grown our profile across the region, Sheryn Harbert has been a key driver in our financial and administrative improvements and Greg Heinrich is quickly building our netball into one of the premier Football Netball competitions in the state. Cameron Hutchison, Daniel Ryan, Andy Gibbons and Jessie Mulholland continued to provide our clubs with a high level of service and carry out their roles in a dedicated and professional manner. The AFL Outer East Commission, Junior Advisory Committee and Umpires' Association all continue to make significant contributions to the smooth-running of the League. Led by Tony Mitchell, the commission should be commended for their willingness to make brave transparent decisions that will ensure the longterm sustainability of the region.

Thank you finally to the many volunteers we have across the region. We are blessed with a terrific and diverse community that extends across four Council regions. The passion our volunteers have for their clubs, football and netball is evident and as a collective we all have a shared desire to create welcoming, inclusive, successful and sustainable clubs. AFL Outer East Staff and Commission are steadfast on delivering the vision outlined in the region's Future Direction document and strategic vision. It is a journey that will continue to present challenges and will take time to fully realise, but it is one we are committed too.

# **COMMISSION CHAIR**

# Bendigo Re

# 2019 Report - Tony (Knobby) Mitchell

Our first season under the new banner of AFL Outer East saw the introduction of three senior football divisions being Premier, Division One and Division Two and the introduction of junior netball played on a Saturday, and with that we have witnessed great success with plenty of room for expansion particularly in the netball area at junior level.

The most pleasing factor from the commission's point of view is that we are nearly at a 50/50 split of participation between females and males, across both football and netball, making us the only competition in the State to achieve this. This confirms our commitment towards a family friendly environment, something for all members of families to support or play.

Over the past season we had to adapt to change having three lots of finals and variation in fixtures and who and where all clubs have had to play. I'm the first to admit we have had our challenges, but we remain confident and upbeat over the coming years the challenges will become history. The commission, through our future directions document and strategic plan are committed to ensuring that our clubs and competitions remain viable.

AFL Outer East will continue to grow as a competition throughout the greater outer eastern and northern regions. We have to ensure that we are focused on improvement of both the football and netball competitions and give each club the opportunity to find its own level and standard.

In saying this, I wish to again acknowledge and thank the great work being undertaken by our office staff under the management of Aaron Bailey (Region General Manager).

Danny Ryan has been an asset to the Football Development Manager's role, Football Operations Manager Cameron Hutchison and Junior Football Operations Coordinator Andrew Gibbons have worked seamlessly together, whilst Accounts Administrator Sheryn Harbert and Jessie Mulholland to Female Competitions & Talent Co-Ordinator have continued this theme with some great results in their fields.

In 2019 we appointed Greg Heinrich as Netball Development Manager and Matt Fotia into the Media and Partnerships. Both are newly created roles and they have produced some fantastic work and have added real value to our team.

Our staff are truly committed to the sustainability of our clubs and competitions and are employed to support clubs with all facets of football and netball, inclusive of business models and committee development programs.

I would like to thank all our affiliated clubs both at junior and senior levels for your valued input and honesty over the past 12 months.

I again commend Aaron Bailey on his efforts and commitment to our commission, he has again given me and my fellow commissioners great support. I understand at times we are challenged with decisions that are made and we do not always agree on some directions we are taking, however, I feel we are all on the same page with the longevity, viability

and sustainability of our football / netball competitions. As a region, we are well respected with both AFL Victoria and Netball Victoria and most importantly financial viable under our present financial model.

I'd like to take this opportunity in welcoming from the Riddell  $\uptheta$  District Football League to our competition for 2020 and beyond:

• Broadford Football Netball Club Inc

Also welcoming the formation of a new senior football netball club:

• Berwick Springs forming both Senior & Reserves football with a full complement of netball teams. Berwick Springs will also continue with their under 18 football team.

I would like to pass on my special thanks to my fellow commissioners for their support, varying ideas, great debates and most importantly the continued commitment they have given me and our clubs by ensuring our football and netball continues to grow and develop.

Many thanks Deputy Chair Shane Smith and fellow Commissioners, Mark Sargent, Graeme Tuplin, Leo Groenewegen, Mal Darke, Ryan Ford, Lauren Bourke and Kelly Stokes for your commitment, input, acceptance of change and the great support that they have provided me over the past 12 months during much change.

Thank you to our umpire's in both junior and senior levels. I would like to pass on my special thanks to John Edwards, Trevor McGary, Matt Rickard, Brendan McKenna, Warwick Marsh, Steve White, Leigh Walters, Les King and Bryan Sultana for their support in providing umpires and developing umpires this season. 2020 will see a new direction in our umpiring and we hope to continue to develop our youth and create a pathway for them all to umpire in our expanded competition

Thank you to Caz Gunn for her continued commitment in supporting Greg Heinrich with umpiring pool and assisting in growing our competition. Greg has done a fantastic job with the support of Caz to ensure we support the netball facet of our game, well done guys. Next season we will continue to expand netball with a further teams in the Under 13's 15's and 17's competitions.

We will continue to challenge the status quo with plenty of challenges ahead, but lets remains positive, as we'll become a great institution that will be the envy of all.

Our club environments are continuing to focus on participation, retention, growth and being safe. We are to provide opportunities for our youth and most importantly, provide a safe place for our children and family members to enjoy our great games.

# COMMERCIAL & OPERATIONS

### 2019 Report - Cameron Hutchison

From the biggest challenges, come the biggest rewards. In a year full of changes, 2019 certainly had its challenges. Taking on the Commercial sales for the first time in 2019 was an enjoyable challenge and I'm excited by the further changes we are making in conjunction with our magnificent suppliers in this space for 2020. The aim is to make these processes easier, for both clubs and our admin alike. I'd like to first thank my colleagues and the clubs for their patience during both of our office moves during the 2019 season and the other teething issues we faced. Thankfully we have now settled into our home at the Kilsyth Centre of Excellence in Colchester Rd with Eastern Ranges and can setup more permanent structures in this area.

In season 2019 we also welcomed eight Football clubs and five Netball clubs to our competitions. The majority of these were joining us for the first time with some of them having previously competed against our existing clubs many moons ago (1930's) as well as Berwick Springs entering their first ever senior side in the Under 18's. Personally, I found these clubs a pleasure to work with and believe they fitted in with the existing clubs well and I look forward to seeing the growth and integration of all our clubs in the years to come.

The 15 and Under and 13 and Under Junior Netball competitions were also a first for us in 2019. The introduction of these along with the expansion in the 17 and Under age group was a very exciting addition to our region and another step in the sustainability and growth of our netball competitions. Thank you to our Netball Development Manager, Greg Heinrich for his involvement in assisting myself and all our clubs in their Netball development needs. A huge congratulations to our 15 and Under Association's Championship team who took out the state title in their first ever appearance at the event.

In 2019, as a region we increased by over 2,000 participants, across 100 extra teams and 13 additional clubs compared to 2018. We saw 28 Premierships won in the Senior Football and Netball competitions and Nine won across the Junior Boys and Girls Football. These are just some of the rewards for our region, clubs and communities for all the effort they put into our clubs.

2020 is shaping up to be exciting for clubs in each competition, with the possibilities of clubs who haven't featured in finals for a few years having a good opportunity next year. We will again see growth in the competitions with the addition of Berwick Springs Senior and Reserves sides and the introduction of Broadford FNC to Division Two.

Some of the 2019 season highlights for me were:

- The 15 and Under rep team winning the Association Championships.
- The continued growth in Womens teams, with a standalone AFL OE Division.
- Moving into our long-term administrative home at the Kilsyth Centre of Excellence during July.
- Three Senior divisions for the first time.
- Record attendances at the Premier Division Grand Finals.
- Junior Grand Finals played at our new home in Kilsyth.
- Our first Good Friday match Doveton V Officer/ROC

Now onto some further thanks.

Firstly, to Caz Gunn, for another great year in charge of the organisation of our Netball Pool Umpires. It was huge task to deliver quality pool Umpires across all our A and B Grade matches each week, especially with the growth in the competitions and you handled this very well. Once again, we had a great standard of Pool Umpires across our season and in the Finals. We look forward to building on these Umpire numbers with you in 2020.

Our Football Umpires also faced the challenges of change in 2019 with the Heads of Umpiring changing a couple of times and a new training base. I'd like to thank Allan Grant for his efforts in this space in the time he was there and a big thank you to John Edwards for stepping back in when it was required. I'm excited by the future growth that is possible in our Umpiring sector, especially with the appointment of Scott Van Noordennen for 2020 as our Umpiring Director. Thank you also to Brendan McKenna and his coaches for another outstanding year working with our Junior Umpires.

Thank you to our Media team, led for the first time by Media Manager Matt Fotia. Together you were all able to raise the bar on our product delivery and connections with the wider communities.

Special thanks to Jason from OETV and our dedicated commentary team, Leo, (Roaming) Walshy and Jesse along with our special comment's assistances throughout the year.

Our OETV footage was able to integrate with the software package HUDL giving our Senior coaches a more than handy resource tool. Congratulations to Matt on the rollout of our new website earlier in the year as well. It's a great addition to our media platform.

To Jessie Mulholland, I personally wish you all the best for the future after accepting an extended role with the EFNL when it was announced that the EFNL and Outer East would go their separate ways regarding Women's and Girls competitions for 2020.

Your drive and passion for female footy has been magnificent. It's been an absolute pleasure to work with you over the past two years and see the results you have gained in these competitions. I look forward to continuing to build on what you have achieved. No doubt our female players are in great hands while you continue in your role as Female Talent Coordinator for Eastern Ranges as well.

To Craig, Mick, Bill and our Tribunal panel members, without your dedication to our judicial tribunal system we wouldn't have one at all. I thank you very much for all your efforts and making the set-up and organisation of the Tribunal hearings as easy as possible. Nothing I ask is ever too much trouble and I truly appreciate that support.

In closing I'd like to thank all the Club Officials, especially all the Presidents, Secretaries and Football Managers whom I converse with the most throughout any given year. We don't always have to agree on everything but as long as we all have the best interests of the competitions at heart we will achieve the desired results.

Finally, thank you to my wonderful wife Tegan and children Marshall and Charlotte and other supportive family for another year of allowing me to do something I love doing every day. Thanks guys.

# **NETBALL DEVELOPMENT**

# 2019 Report - Greg Heinrich

#### Junior Netball Development

2019 saw the introduction of Junior Netball into the AFL Outer East with 49 Teams (over 500 players) participating across the 13 & Under, 15 & Under and 17 & under Divisions, with the following breakdown:

13 Under White x Seven Teams

13 Under Blue x Seven Teams

15 Under White x Eight Teams

15 Under Blue x Seven Teams

17 Under White x Seven Teams

17 Under Blue x 13 Teams

With the competition growing to a total of 27 clubs across three divisions, not all clubs were able to recruit and enter junior teams from the former Yarra Ranges competition. This made fixturing all junior games a major challenge for season 2019 and we thank all players, parents and clubs for their ongoing support through-out the season when it came to adjusting or altering these fix-tures.

Teams that competed in the White division followed the Senior Division One Finals Series whilst teams that competed in the Blue division followed the Senior Premier Division Finals Se-ries.

This provided an opportunity for clubs within the former South East FNL junior structure to experience our venues within the Yarra Valley.

### Junior Netball - Future Focus (Pathways)

Junior Netball provides clubs with an opportunity to create a long-term, sustainable future for their communities. With the addition of the Junior Representative Program in 2019, we experienced immediate success with the 15 Under team winning the coveted Association Championships. A title that Netball Asso-ciation and FN (Football Netball) Leagues have been chasing over the past 20 years.

This success demonstrates the strength of the talent within the League and importance of junior netball and it also provides a clear pathway for clubs to offer their junior athletes. The success-ful team was as follows:

Coach: Steph Puopolo (Monbulk FNC)
Isabella O'Shanassy (ROC Netball Club)
Eliza Mettes (Beaconsfield NC)
Zealand Rakei (Doveton FNC)
Charlotte Shortis (Beaconsfield NC)
Luiza Sulemani (Berwick NC)
Gemma Ziino (ROC Netball Club)
Mikayla Phillips (ROC Netball Club)
Holly Moulday (Berwick Netball Club)
Annie O'Brien (Doveton FNC)
Cassie O'Brien (Doveton FNC)
Romy De Nardis (Narre Warren FNC)

The focus of 2020 is to continue the growth of the Junior competition as part of the Future Directions document and expand our Junior teams so that all clubs have a minimum of one junior team in each of the junior age groups.

#### **Junior Netball Clinics**

Prior to the Premier Division Grand Finals we showcased the facilities of Pakenham Lions Netball Club by hosting a Junior Netball Clinic in partnership with Mercedes Benz Berwick and Australian Diamond Liz Watson.

We had approximately 70 young athletes participate in the Mid-court Specialist Clinic and take on the opportunity to learn from Liz as well as VNL Championship Player Kassidy Withers from the Casey Demons as well as Pakenham Lions NC joint A Grade Best and Fairest Emma Jones.

With the clinic proving a huge success we will look to replicate these across all regions of the Outer East in season 2020.

### **Coach Development**

- How to Develop an Effective Training Session
- Goal Shooting and Goal Circle Movement
- Centre Pass Structures (Attack & Defence)

This season we continued our commitment to providing oppor-tunities for Coaches within the League to learn and further de-velop their coaching craft.

We had 45 Coaches participate in the three workshops from clubs across all three divisions.

#### Interleague

This year the Open and 17  $\theta$  Under teams kicked off their Inter-league campaign in early March in preparation for the Interleague clash up in Bendigo in May. We experienced increased numbers for both sides with the strongest athletes from the South East and Yarra Ranges regions attending. This was extremely positive and made the selectors role challenging in finalising the teams.

Whilst the coaches were confident in the squads that were travel-ling for the clash, we knew that Bendigo would be fielding equally strong teams. The weather gods were on our side producing the perfect weekend for the Interleague carnival, but the net-ball gods had other plans for our 17U and Open teams, both go-ing down convincingly to Bendigo.

This year provided the league a great platform to build an even stronger representative program for our Open athletes.

A special thanks to our Coaching and Support staff that enabled the weekend to take place:

Open Squad Coaches: Guy Keane and Kaitlyn Black

Open Team Manager: Matt Blanchard

17Under Coaches: Greg Heinrich and Latoya Wards

17Under Team Manager: Jodi Chandler

#### Season review:

With Season One of the AFL Outer East competition complete, I'd like to take the opportunity to thank all clubs and their committees, players, team officials, parents and spectators for their continued support and feedback throughout the year and I look forward to seeing you back in 2020 to do it all over again.

# **JUNIOR OPERATIONS**

### 2019 Report - Andy Gibbons

2019 was a consolidating year for our Junior sector, after introducing grading three years ago. I feel we are closer to getting it right, but still have some challenges such as team numbers, ground availability, fixtures and player retention.

Season 2019 saw us introduce our Friday Footy Frenzy for the Under Nine's.

These two evenings were a great success, thanks to Danny Ryan and our two host clubs Woori Yallock & Belgrave.

We will be looking at keeping the Under Nine's on Friday nights early in the season next year.

We also continued with our Under 10 Lightning Premiership which once again was a great day and we thank to Wesburn for hosting the day.

This year we had an increase in Junior teams up from 74 to 78.

This equates to an increase of 132 participants.

This season we had;

**16** Under Nine Wayalaks teams, with Mt Evelyn and Woori Yallock fielding two.

12 Under 10 teams.

8 Under 11 teams with Woori Yallock the premiers.

**6** Under 12 Ranges teams with **Wandin** the premiers.

8 Under 12 Yarra teams with Mt Evelyn the premiers.

6 Under 14 Ranges teams with Wesburn the premiers.

10 Under 14 Yarra teams with Belgrave the premiers.

12 Under 16 teams with Mt Evelyn the premiers.

6 Under 12 Girls teams with Healesville the premiers.

8 Under 14 Girls teams with Monbulk the premiers.

8 Under 16 Girls teams with Healesville the premiers.

We also saw Mt Evelyn field a team in Under 16 and Under 18 Premier Division, whilst Seville had a side in the Under 18 Division One.

I would like to thank all the clubs and their executive committees for all their hard work and commitment.

Once again I would like to thank the AFL Outer East Commission, who have yet again backed and supported the Junior Competition with every initiative myself and others have put forward.

To the AFL Outer East Staff, thank you all for your support, guidance and dogged commitment to producing an enjoyable and progressive junior competition.

The Junior Strategic Advisory committee has once again given up their time to help ensure our Juniors stays strong

and prosperous, so thank you once again to Nan, Maxine, Ray, Russell and of course our Junior Commissioner Mal Darke.

Thank you also to Brendan McKenna and the Junior umpire advisors. Without umpires our players would not get onto the park. Thank you for not only for organising all our umpires but for also recruiting a good group of young aspiring umpires, who have officiated our games so well.

Moving forward, most of you would now be aware that we have split from the EFNL in the female football space and now will be running the girls fully under the AFL Outer East Junior banner.

I would personally like to Thank Jessie Mulholland for all her hard work running and promoting female football in our league over the past two years and wish her all the best in the future.

# FOOTBALL DEVELOPMENT

### 2019 Report - Daniel Ryan

Participant numbers continued to grow for our Auskick Centres in 2019 with a 5% growth from 2018.

Our Auskick Gala Day was a success with 10 centres coming along to our day at the Kilsyth Recreation Reserve, with 160 kids participating in the Auskick Super Clinic run by our Game Development Officers (GDOs) and some Hawthorn players.

The AFL 9's carnival was run in September with 6 centres taking part in the night at Seville. The carnival was designed for kids transitioning into junior football in 2020. Centres had a junior club member attend the night to promote their club for the following year.

Thank you to all our Auskick Coordinators and their coaches, who do a power of work to make so many kids first experience with football a memorable one

#### SCHOOL PROGRAMS

School programs are funded either through the School Sports Program or AFL Victoria's FDM budget, with Game Day Officers running clinics within schools to help promote football and local junior clubs during the months of February, March, April and May to coincide with the start of the season for our Junior competitions.

During this period AFL clubs - Hawthorn, Collingwood, Melbourne and Western Bulldogs - visited Schools in the region, where students took part in clinics run by our GDO's and AFL players.

Worawa Reconciliation Carnival was held again in 2019 with support from AFL Outer East. Four schools and 80 girls participated in the day.

During these programs, participants are encouraged to contact local junior clubs if there is anyone interested in playing Australian rules footy, which is a huge help for local junior clubs as over 5,700 kids took part across all programs in 2019.

### COACHING PROGRAMS

Coach development has been an area of heavy focus over the past three years via giving better support to coaches through coaching workshops, seminars and online material. We believe coaches have a significant role to play in not only player development but player retention.

13 Workshops/Seminars were conducted for both junior and senior coaches, with 401 coaches attending these sessions run by several presenters for coach development. Coaching behaviours, match day coaching and age specific coaching was the theme throughout all sessions.

Thanks to all presenters who helped conduct those workshops; Craig Winter, Mal Bangs, Harmit Singh, Nick Rutley, Eastern Ranges and Hawthorn FC.

The Senior and Under 18's Interleague games were played against Bendigo Football Netball League in 2019. Seeing as both leagues (South East/AFL Yarra Ranges) were coming together to compete for the first time, expectations were high. Our Under 18's competed very well in their game and narrowly went down late in their game, but the challenge for our Senior team was much too great with a heavy loss against a slick outfit in the Bendigo FNL. Nevertheless many thanks go out to all the players and staff who volunteered their time over a three week period and committed to program.

Special thanks go out to both Coaches in Nick Rutley (Seniors) & Brett Fisher (Under 18's) and their assistant's coaches, the trainers in Brodie West, Racheal Credlin, Karen Webb and Kylie Oultram, team manager Peter Matheison, as well as the Beaconsfield/Narre Warren Football Netball Clubs for the use of their facilities during the program.

# FOOTBALL DEVELOPMENT

### 2019 Report continued

#### JUNIOR INTERLEAGUE

This year saw the continued roll-out of the new program which brings our league in-line with the Eastern Ranges and Hawthorn Next Generation Academy programs with terminology and teaching practices used for both organisations, which hopefully will give our more talented players a better understanding of what is required at the next level. The relationship with both Eastern Ranges and Hawthorn has strengthened this year with not only the move of our league headquarters into the same office as Eastern Ranges, but we can now announce our under 13's and 14's squads will participate in Hawthorn's Next Generation Academy program in 2020. This is a fantastic opportunity for kids in our region.

The interleague program ranges from our Under 11's, 12's boys and Under 12's girls Academies to our Under 16's boys team. Training for these squads kicked off in March of this year with over 340 boys and girls participating in the early stages of the programs before squads were reduced to 260 kids to play in the carnivals. Whilst reducing the squads was a difficult task I'm sure all the kids that took part in the first six weeks of the program would have benefited greatly from the experience and would have returned to their clubs as better players for the experience.

Another major focus of the Junior interleague was developing our coaches. 28 coaches/assistants committed many hours to work with and develop our kids to be better players and deliver a fantastic interleague program. All coaches also took part in Coach Education sessions at Hawthorn Football Club and the Eastern Ranges, which gave the coaches a great insight to elite levels of training and training techniques

Our aim is to further develop our junior coaches in our region and provide a pathway for coaches that want to go further with their coaching or simply want to become better coaches back at our junior clubs. This has been evident with Dallas Spencer and Michael McGrath who took part in the under 13's and 14's Hawthorn Next Generation Academy program held at Yarra Valley Grammar for a combined squad of EFL and AFL Outer East juniors.

Once again, I'd like to thank all Development & Interleague coaches, Shane Newsome, Chris Handasyde, Ash Gibbons, Dave Dalstella Dallas Spencer, Matt Robinson, Garth Bateson, Tim Wragg and their Assistants, as-well as Joseph Molluso our Talent Manager for all their hard work in selecting Squads.

A special mention to junior clubs on their support of the Junior interleague program and for the clubs that were very generous in allowing our teams to train at their grounds.

# **MEDIA**

### 2019 Report - Matthew Fotia

What a year 2019 was for all involved throughout the AFL Outer East, with comeback stories, upset victories and everything else in between. For myself it was a great introduction to working properly in sport, albeit part time, with so much content constantly rearing up on a weekly basis.

The beauty of this new role was that there was no-one before me for direct comparison, or for me to try and emulate. I was given almost free rein to do things the way I preferred, and for that I have to thank both Tony Mitchell and Aaron Bailey.

Before I begin with some numbers and words that show the improvement we made in the media sphere, I'd like to reminisce on some of the more memorable moments from 2019.

Whilst Interleague itself was not a successful venture for our sides, I enjoyed the excitement it created around the competition and the spectacle that the Bendigo FNL put on was fantastic, with their facility and hospitality top notch, despite their commentary team being more than pleased with their sides efforts on the afternoon.

Secondly the entire finals series was fantastic, with barely a dud game amongst them. The three Grand Finals were all memorable in their own right, with Seville finally shaking the monkey off their back with the skipper booting eight, Doveton achieving the ultimate comeback story in a thrilling game against Pakenham (and of course that Stapleton goal), and Narre Warren's upset victory over Berwick in the pouring rain, after two of the highest Under 18 and Reserve finales ever.

And of course who could forget Thornton Eildon's glorious victory back in round nine, as they went end to end in the dying moments to win the game after the siren. Whilst the Roos still have their troubles, moments like that are still ones to savour.

### **SOCIAL MEDIA**

2019 saw us experience a big increase in social media engagement and of course utilisation. Throughout the preseason it was used to keep 'punters' in the loop on the big movements amongst the clubs, as well as helping clubs with their advertisements for coaches, players, volunteers and so on, before focusing on things such as the Ladders, Finals Flows, Around the Grounds and Leading Goal Kickers charts, along with weekly written pieces and video highlights during the season

We saw an extra 2,730 people follow/like the Facebook Page, taking us to 7,246 people by the end of the season, with an average reach of 3,000-5,000 on each of our posts, with a best of 18.750.

On Instagram we saw 1,793 patrons come to follow the Outer East, taking us to 2,848 at time of writing. On Twitter we saw an additional 332 people, which took us to 687.

Twitter is a platform I would encourage all clubs to invest some more time in over the coming months. It's the best platform for live updates on game day and is the easiest to 'flick' through for onlookers.

#### **PRINT MEDIA**

This year saw a big focus on written work for our social channels, website and of course the record. The weekly review of Football and Netball, the Weekend Preview and the weekly stories were things I throughly enjoyed writing and hope you enjoyed reading.

Whilst most clubs seemed cautious in their initial chats to me, as the season progressed and we developed relationships, I saw the quality of content within these articles improve. So to anyone who answered my Monday or Tuesday morning phone calls and answered my questions, thank you and I look forward to doing it all again soon.

Thank you also to the members of the Outer East community who sat down with me for those lengthy chats that provided the basis for my favourite pieces - feature stories.

I love the way that the pieces like the ones on Jason Ball (Leader of the Pride), Lee Lawrence (Vicious for a Reason) and Ciara Nelson (Doing a Dusty) were received and I loved telling their stories. If anyone has anymore ideas for some feature stories in the future let me know, as getting the word out about some of the great people in our community is one of the main reasons I began this role.

To the players, who read the weekly reviews and previews in the record or online, I apologise if I caused any offence. I try as much as possible to avoid direct criticism of players in our competitions, but sometimes it is unavoidable. Hopefully it stirred you on to prove me wrong. On the flip side, I hope those who got kind words appreciated them. No matter what I wrote, let it be known you're all better footballers and netballers than me.

To Alyce Collett and Hugh Fitzpatrick, who produced multiple pieces of work for me, I thank you as well. The more voices that are heard amongst our competition the better.

To Colleen, the wonderful wizard, who puts together our weekly record (and the Annual Report you're currently flicking through) thank you so very much. You produced wonderful work on a week to week basis, despite some constant last minute changes and very late deadlines and additions from yours truly. I don't envy your role in the slightest and am very thankful for all your work.

#### **AUDIO/VISUAL**

This year we looked to take our match day coverage up a notch and I believe we achieved that. With GameFace coming on board we saw the addition of the Footy Show, but also some additional games covered throughout the Home and Away and Finals Series.

The build up to games saw the use of some footage, both still and moving from our pre-season Media Day/s. I thank all of the players who turned up in full kit to those two days, and

### 2019 Report continued

thank GameFace and of course the lovely Beth Hutchison for their efforts on that day.

Words for Beth don't do her justice, with her photography not the only spectacular aspect - one of her photos of Kaleb Van Beek was shown at Federation Square throughout the year - but also her efforts to cover all of our competition, travelling across our whole region on both Saturdays and Sundays to ensure that every club had the opportunity to see their faces on our social media come Monday morning. Once again Beth - Thank You!

Thanks to Yarra Valley FM for broadcasting our Match of the Round each weekend. David Oaten and Co were always a pleasure to work with and I thank them each for their efforts, especially whilst listening to us drone on.

Thanks to all of those that listened in or watched the coverage over the course of the year. 2019 saw a slight change in the style of coverage from a commentary point of view, with my style differing to that of Leo's, but I hope you all enjoyed it as much as we did.

Thank you to Leo Groenewegen, who lead the commentary team with distinction and poise, as well as adding some much needed historical facts. Your sense of humour and knowledge is something to be admired and is much appreciated.

Thank you to Nathan Walsh, who became a cult hero by the end of the season, for all of his efforts. Walshy always has his ear to the ground, and relished the role of boundary rider. So good was he that he became the lifeblood of the team, with fans absolutely loving his work. I can't wait to see what 2020 holds for Walshy and his roaming.

Thank you to Jesse Busacca, who as a 17 year old provided eloquent analysis of the game and filled in as play by play commentator on a number of occasions and performed well beyond his years. We might not see as much of you this year, as you graduate to Under 18 football with Gembrook-Cockatoo along with the pressures of Year 12, but you're always welcome in the Media Van.

Thanks also to Cameron Hutchison and Aaron who also filled the gaps on commentary and Nick Rutley and Danny Ryan who provided expert comments throughout the year.

Finally, thank you to the great Jason Sach. Jason's cameramen and women cover ever game in our competition, and it is made available to the public via OETV.com.au and to coaches via HUDL.

Jason's efforts to brave the conditions and our boring conversations down stairs, upload all games (which sees him up to all hours on a Saturday night) and provide five or more camera angles on Grand Final Day is nothing short of incredible, considering it is not his full time profession.

Jason's camerawork is second to none and his sense of humour is just as good. I've enjoyed the year working with you Jason and look forward to 2020.

### 2020 and Beyond

After finding my feet in 2019, I'm excited for what 2020 holds on the media front for the AFL Outer East. I look forward to uncovering new stories, covering more games and hopefully bringing the league further into the state and national spotlight.

Until then, enjoy the summer sun and keep an eye out on our social media for all of your Outer East news.

# **EASTERN REGION WOMENS**

### 2019 Report - Jessie Mullholland

In 2019, the Eastern Region Womens saw an extensive growth in female participation welcoming 16 new teams which grew the competition from two Divisions in 2018, to five Divisions in 2019.

The Women's Lightning Premiership was a two day event held at Templestowe Football Club in March which saw 26 clubs participate.

Thank you to Silvan, Lilydale, Mulgrave, South Bel-grave, Upwey Tecoma and Healesville who all hosted Eastern Region Womens finals across three weeks.

Grand Final Day saw record breaking crowds at all venues for what was always going to be an exciting day. The Outer East Division Grand Final played under lights between Healesville and Monbulk saw Heales-ville take the lead early on to maintain the momentum to win by 42 points.

The South Division was always going to be a close game with Rowville Hawks and SBL Wolves the teams to beat in the home and away season. With a draw heading into the fourth quarter, Rowville were able to get the win by seven points.

The North Division Grand Final between North Ring-wood and Park Orchards saw North Ringwood too strong on the day with 54 point win including six dif-ferent goal kickers on the day.

The Division One Grand Final between The Basin and South Croydon was another close game, with the big-gest margin of six points throughout the game. A draw heading into the last quarter, the game saw South Croydon kick the winning goal to secure the win by four points.

The Premier Division decider between Chirnside Park and Whitehorse Suns was played with a high standard of skills and talent with a 10 point lead to Chirnside heading to the half time. Chirnside were too strong in the third and fourth to take out the title of the 2019 Premiers by 66 points.

The Zonzo Estate hosted the Eastern Region Womens Best and Fairest Presentation Night in which the Leagues Best and Fairest's, Runners Up and Goal Kickers were awarded. We also named the Deakin Uni Womens Team of the Year with Patsy Boxell named as Coach of the Year.

Congratulations and thank you to both John Edwards at AFL Outer East and Scott Van Noordennen at the EFNL for their hard work managing the umpires week by week.

Thank you to the both Leagues for their continued support of the Womens Competition. Additionally, to the clubs and their volunteers who have dedicated their time and hard work to grow female football in our re-gion.

Finally, to the players, thank you for making this Competition the success it has been. We are expecting another growth in the 2020 season and look forward to having you be apart of it.

# **EASTERN REGION GIRLS**

# 2019 Report - Jessie Mullholland

In 2019, the Eastern Region Girls Competition saw another growth in female participation with 116 teams taking the field across 16 Divisions. This included Premier, Division One, Division Two and AFL Outer East stand alone Divisions.

The Under 10 Girls Lightning Premiership Cup was a great success held at Pinks Reserve three overall win-ners.

Again, we fielded two Under 15 representative sides in the AFL Victoria Metro Championships, with both of our sides competitive playing against great sides from the Northern Football Netball League, South Metro, Yarra Juniors and the Essendon Juniors Football League.

Come finals time, a wide spread 31 of the Leagues clubs were represented in junior finals. The competi-tiveness and skill improvement was then proven with the average winning margin in the Grand Finals of 21 points.

Thank you to Knox, Vermont, South Belgrave, Heathmont, Mulgrave, Coldstream, Kilsyth, Lilydale, Gembrook-Cockatoo, Belgrave, Woori Yallock, Olin-da Ferny Creek, Seville, Healesville, Monbulk and Upwey Tecoma who all played host to Eastern Region Girls finals with fourteen divisions played out across three weeks.

Billanook College was the venue for the Eastern Re-gion Girls Presentation Night in which League Best and Fairest winners,

Runners Up and third place getters were awarded. As well as MVP Interleague awards, Junior Umpire Award, Coach and Volunteer of the Years.

Congratulations and thank you to both Brendan McKenna at AFL Outer East and Sean Clarke at the EFNL for their hard work managing the umpires week by week.

Both leagues' junior competitions are represented by a hard working group of people who continue to ensure the standard of this League improves. Thank you to Troy Swainston, Aaron Bailey, Chris White and Andy Gibbons for their support and guidance throughout the year. Thank you also to the Junior Committee of both the EFNL and the Junior Commission of AFL Outer East.

Thank you to the clubs who continue to prioritise fe-male football and to all of the hard working volunteers who have contributed to a great year in the Eastern Re-gion Girls Competition in the 2019 Season.

Finally, to the players, thank you for making this Competition the success it has been. We look forward to the continued growth in 2020.

# **FINANCE**

### 2019 Report

2019 saw AFL Outer East record its best financial performance in many years, recording a profit of \$177,234. Pleasingly the commission has been able to achieve this result whilst clearing all accrued debts and depreciation from previous years. This includes loans, excess stock and depreciation of assets from previous seasons, in excess of \$140,000. This result sets up the AFL Outer East for the future, providing a strong cash reserve and minimal liabilities moving forward. That it was achieved during a year where the leagues operations moved to a new premises, is even more meritorious.

Increased finals revenue and sponsorship, along with merchandise sales increased in 2019, with jumper sales, shorts, footballs and netball stock were the leagues major revenue streams.

Medical sales decreased in 2019 and is an area we will work with clubs to improve for season 2020. A key focus in 2019 was to transition all sales to an online platform, which we will achieve for the beginning of 2020.

Club support of our merchandise program remains vital as it allows us to keep club costs at the low levels currently enjoyed.

Aged debtors remain a major risk to the commission, with the money outstanding greater than that in cash reserve as of December 1st.

A review into the best method for invoicing clubs and the management of club debt will be conducted in the new year.

From 2020, as our position continues to improve, we will look to pass savings onto clubs and increase affordability for clubs and participants. To achieve this though we require improved compliance from clubs.

Whilst 2019 has laid the foundations for long term stability, it is vital we continue to identify cost saving measures for the commission and clubs, whilst continuing to identify new revenue streams to ensure this growth continues consistently.

# TRIBUNAL

### 2019 Report

In season 2019 our total reports increased slightly but with the introduction of a 3rd division this result was reasonable. Yellow & Red Cards were down significantly. In 2019 we had approximately one report per 24 games and one yellow/red card on average every 21 games. Some clubs who find themselves continually on the wrong end in these discipline areas should be looking at ways to improve. However, player behaviour is always a focus and the League will continually look for improvements in both the number of players carded and reported. We also introduced a Blue card into the Junior competitions which gave the Umpires some more flexibility in controlling the games if required.

A summary of reports in 2019 include:

- 20 for "Striking"
- 4 for "Engaging in rough conduct"
- 4 for "Using abusive, insulting or threatening language towards an Umpire"
- 1 for "Using abusive Language"
- 3 for "Head butting"
- 1 for "Making unreasonable contact to the face of an opponent"
- 2 for "Charging another person"

With 1111 games played over all Football Competitions, we averaged one report for every 24.15 games played.

# **AUDIT**

# 2019 Report

### YARRA VALLEY AUSTRALIAN FOOTBALL COMMISSION LIMITED

ABN 84 160 417 818

# INDEPENDENT AUDIT REPORT TO THE MEMBERS OF YARRA VALLEY AUSTRALIAN FOOTBALL COMMISSION LIMITED

We have audited the accompanying financial report, being a special purpose financial report, comprising the balance sheet as at 31 October 2019, the income and expenditure statement for the year then ended, the cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information of the Yarra Valley Australian Football Commission Limited and the committee's report.

### Board of Management responsibility for the financial report

The Board of Management is responsible for the preparation and fair presentation of the financial report in accordance with the applicable financial reporting framework, and for such internal control as it determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The board has determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report are appropriate to meet financial reporting requirements and the needs of the members.

The financial records kept by the Yarra Valley Australian Football Commission Limited are such as to enable the financial statements to be prepared in accordance with Australian Accounting Standards and the Associations Incorporation Reform Act 2012.

### Auditor's responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit of the financial report in order to express an opinion on it to the members.

I disclaim any assumption of responsibility for any reliance on this report, or on the financial statements to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to management's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of management's internal control. An audit also includes evaluating the appropriateness of

### 2019 Report continued

accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Electronic publication of the audited financial report

It is our understanding that the Yarra Valley Australian Football Commission Limited intends to electronically present the audited financial report and auditor's report on its internet website. Responsibility for the electronic presentation of the financial report on the Yarra Valley Australian Football Commission Limited website is that of those charged with governance of the Yarra Valley Australian Football Commission Limited. The security and controls over information on the website should be addressed by the Yarra Valley Australian Football Commission Limited to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report on the Yarra Valley Australian Football Commission Limited website is beyond the scope of the audit of the financial report.

### **Auditor's Opinion**

In my opinion the financial report of the Yarra Valley Australian Football Commission Limited presents a true and fair view, in all material respects, of the financial position as at 31 October 2019 and its financial performance and cash flows for the year then ended on that date, and complies with the Associations Incorporation Reform Act 2012 and Australian Accounting Standards as referred to in note 1 to the Financial statements.

### **Basis of accounting**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling Executive Board Member reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Grant Plozza

### to the Financial Statement

### NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 OCTOBER 2019

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012, for use by the members of the League and to fulfil the board's requirements to prepare financial statements.

The financial statements have been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2012 and the following Accounting Standards:

AASB 15	Revenue from Contracts with Customers
AASB 16	Leases
AASB 101	Presentation of Financial Statements
AASB 102	Inventory
AASB 107	Cash Flow Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates
and Errors	
AASB 110	Events after the Reporting Period
AASB 113	Fair Value
AASB 116	Property, Plant and Equipment AASB 119
AASB 119	Employee Benefits
	· ·

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied. The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations. The financial statements have been prepared on a going concern basis.

The following significant accounting policies have been adopted in the preparation of these financial statements and consistently applied to all periods covered.

### **PROPERTY, PLANT & EQUIPMENT**

Items of property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment loss. The items have been assessed for current replacement cost in 2019, and as a result there has been no change in the values of the individual items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income and expenditure statement during the financial period in which they are incurred.

Gains and losses on disposal of an item of property, plant & equipment are determined by comparing the proceeds from disposal with the carrying amount, and are recognised net within other income in the income and expenditure statement.

# to the Financial Statement

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (Continued) FOR YEAR ENDED 31 OCTOBER 2019

#### **DEPRECIATION**

Depreciation is calculated on the depreciable amount of all fixed assets over their useful lives commencing from the time the asset is held ready for use.

The depreciation methods and rates used for each class of assets are as follows: Computer Equipment – Diminishing value method 33%.

Furniture & Fittings – Diminishing value method 7.5% to 20%.

Leasehold Improvements – Diminishing value method 20%.

Motor Vehicles - Diminishing value method 25%

Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate.

#### **INVENTORIES**

Inventories are measured at the lower of cost and net realisable value. The cost is based on the first in, first out principle and includes expenditure incurred in acquiring the inventories and other costs associated with bringing them to their existing location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated selling expenses. A significant amount of Inventory (\$65,655) was written off in 2019 to ensure that Inventory was valued at its net realisable value.

#### **LEASES**

Operating leases do not transfer substantially all the risks and benefits incidental to ownership of an asset.

Payments made under an operating lease are recognised in the expenditure statement on a straight line basis over the term of the lease. The leased assets are not recognised in the balance sheet of the association.

### **EMPLOYEE ENTITLEMENTS**

Provision is made for the association's liability for Employee Entitlements arising from services rendered by employees to balance date. Employee Entitlements that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Annual leave has been assessed in accordance with the provisions of AASB 119 however, no change in classification between current and non-current is considered necessary.

### **INCOME TAX**

The League has been granted an income tax exemption by the Australian Taxation Office.

#### **GOODS AND SERVICES TAX**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated with amount of GST included. The net amount of GST recoverable or payable to the Australian Taxation Office is included as a current asset or liability in the balance sheet.

# **NOTES**

### to the Financial Statement

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (Continued) FOR YEAR ENDED 31 OCTOBER 2019

#### **REVENUE RECOGNITION**

### **Property Division Sales**

Property Division Sales represent revenue earned from the sale of products to member clubs. Revenue is recorded when the goods are despatched.

### **Interest Income**

Interest Income is recognised as it accrues.

### **Management Fees**

Management Fees represent revenue earned from charges to member clubs used to fund the provision of services (including but not limited to umpires).

#### **Asset Sales**

The profit or loss on disposal of assets is included as revenue of the association. Such profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

### 2. PROPERTY PLANT & EQUIPMENT

Movement in Carrying Amounts	Motor Vehicles	Leasehold Improvements	Furniture & Fittings	Total
Net Carrying Amount
