Questions or Queries? Call John on 0467 070 661
or email: umpires@outereastfn.com.au

If you wish to be
appointed to games in
Season 2022 then you
MUST attend this
Accreditation Day!

Facilitated by Head of Umpiring John
Howorth and Operations Coordinator
Sebastian Mueller-Schmuki.

What

Accreditation is a requirement for all umpires to complete prior to the start of Season 2022.

This session in February is about getting together to learn, share and ultimately complete the necessary training associated with achieving Accredited Level 1 Umpire status for Season 2022.

Why

Our sporting sector mandates that all umpires be officially accredited in accordance with AFL Guidelines.

It is **COMPULSORY** to be accredited to at least Level 1 before being able to be appointed to games.

Without accreditation, umpires cannot be appointed to officiate any fixture, at any level or for any discipline.

Who

Every single umpire who wishes to officiate in any fixture (junior or senior) in any discipline in 2022 must attend this session and complete this accreditation.

Intro to OFFICIALSHQ

We will also take the opportunity to provide training on the new OFFICIALSHQ platform which is replacing Schedules in 2022.

It is extremely important to understand this platform as it will be the only way of receiving appointments and payments. It will also be a valuable resource for communications and training.

If you'd like to register in advance for OFFICIALSHQ then follow this link
