A SEASON OF GROWTH AND GRATITUDE

Dear fellow chicks,

As I sit down to write this, I am filled with an overwhelming sense of gratitude and excitement. This has been a truly remarkable season for **The Femme Fetale**. We've not only grown in numbers but have been blessed with passionate volunteers, and incredible connections that promise to shape our future in the most inspiring ways.

Our mission has always been to empower, uplift, and create a space where women can thrive, and it's amazing to see how our community is expanding with individuals who share the same vision. Each new member brings with them fresh energy, new ideas, and a commitment to support one another as we all navigate the journey of entrepreneurship and personal growth.

But it's not just about the growth in numbers. It's about **the connections**—the meaningful relationships we are building, the collaborations we're seeing flourish, and the endless possibilities that lie ahead. Whether you're a long-standing member or someone who has just joined our sisterhood, your presence is valued, and you are a crucial part of the future we are creating together.

As we look forward to the coming months, I encourage each of you to lean into this network. Share your stories, your successes, and your challenges. Let's continue to support one another, grow together, and turn our collective visions into reality. We are stronger together, and with the new energy that has joined our ranks, the sky is truly the limit.

Thank you to everyone who has contributed to this incredible journey so far—our members, volunteers, and partners. The future is bright, and I can't wait to see where we go from here.

With warmth and gratitude,

LET'S TALK INVESTMENT

The Future Starts Now!

Forget the word “donation.” Seriously, toss it out the window for a moment. We’re not here to talk about charity or handouts—we’re here to talk about investing. Investing in a future where women who are passionate, determined, and filled with potential get the support they need to thrive.

At UCA, we don’t see your contribution as just money thrown into the wind; we see it as capital in the futures of women who may not have the means to pay for a course, build a business, or grow their skills, but who are absolutely ready to put in the hard work to get there.

WHAT'S IN IT FOR YOU?

Well, imagine the ripple effect. You’re not just throwing a coin into a wishing well and hoping for the best.

You’re fuelling the dreams of those who, without your help, might never get the chance to fly. And here’s the quirky part: you’re like a startup investor, but instead of tech, you’re investing in human potential.

Whether it’s R20 or more, every contribution pushes us closer to the launchpad of someone’s bright future. We’re talking women who are ready to run businesses, lead communities, and shake up industries. But first, they need a little boost—and that’s where YOU come in!

WHY UCA’S BACKABUDDY CAMPAIGN?

Our campaign isn’t just about collecting funds; it’s about creating opportunities. Each rand you “invest” helps sponsor educational courses, entrepreneurial training, and tools that these women need to become unstoppable forces in business and beyond.

THE BEST PART?

You’ll get to watch the impact of your investment grow! Imagine seeing the incredible women we’ve sponsored at future UCA events, launching businesses, supporting their communities, and paying it forward. Now that’s ROI—Return on Inspiration!

SO, WHAT ARE YOU WAITING FOR?

Let’s stop thinking about “donating” and start thinking about building futures. Whether you can chip in a little or a lot, we guarantee that your investment will yield big results—because together, we’re empowering the next generation of female entrepreneurs!

Ready to invest in the future? Join & promote our UCA [BackaBuddy campaign](#) today.
