I can only make your chaps as accurate as the measurements you give me. Measure with a tape or flexible material only. Please take your time and be accurate

Measurement Guide/Form: (inches)

******* Wear boots, jeans and a belt you prefer to wear under your chaps while riding *******

Using the guide to the right and a flexible measuring tape, please have someone take your measurements in inches. Tape should be snug but not pulled tight. chaps will be made to measurements so take them as you prefer the chap to feel.
