Enjoy an evening celebrating the harvest with exceptional food, paired wines, craft beer from Allagash Brewing, sparkling wine, coffee from Coffee By Design, wonderful company and community, and a fun raffle—all while supporting Veggies to Table's mission to grow and donate top-quality organic produce and flowers to neighbors experiencing hunger and needing joy. Proceeds will go directly toward the next chapter of Veggies to Table: the infrastructure we need to grow and donate even more food, including a new tool shed, an equipment storage shed, and a produce wash & pack station.
