JUNIOR TENNIS DRILL & MATCH PLAY

This Junior Tennis Drill & Match Play program is designed for high school players who are new to tennis or looking to refine their fundamental skills.

Proper form and footwork will be introduced to include concepts such as scoring, drills, body positioning, and strategy to lead to more competitive play skills.

The coach will be actively engaged on the court, providing feeds and personalized instruction throughout the session.

The last 45 minutes will focus on match play, where players will rotate and apply what they've learned in a competitive setting.
