Annual Meeting
May 31, 2021

Dear Attendees,

First let me take this opportunity, as Financial Secretary of the Kathryn Stephenson Pipe Organ Foundation, Inc. to thank all of our supporters through their hard work and generous financial donations. This support has taken many forms such as help before, during and after our concerts, manning our educational efforts, and monetary support for our programs. Below you will see a representation of this monetary support.

The pandemic years of 2020 and 2021 have brought many obstacles and opportunities to all Arts organizations. We were fortunate to have continued financial support of our donors and the physical support of First United Methodist Church in their upgrading of the video capabilities of the performance venue. This allowed us to continue our annual concert virtually and to stay connected to our audience.
