

BLOCK

LEADER

Hi Neighbor!
My name is: _____

Date: _____

And I want to be your BLOCK LEADER for Luminaries for Love this year!

I live down the street at (optional): _____

And I'm in school at (optional): _____

I am working with Luminaries for Love to sell luminary products before year-end to raise money for charity. 100% of proceeds will go to charity and we are hoping to raise \$22,000!

We are selling starter sets of 12 luminaries including candles, bags, and weighted bases delivered right to your door – with less mess & hassle than ones you'd buy somewhere else! If you ordered in the past, we now have component and replacement sets so you can re-use your existing Luminaries For Love bases.

I would appreciate it if you would consider ordering our product online at www.luminariesforlove.com so we can add to the over \$20,000 we have already donated to charity!

I'd like to have our neighborhood put _____ color bag luminaries on the sidewalks outside their houses and light them after it gets dark on the night of:

_____. I hope you can join us!

If you order, please designate my name in the BLOCK LEADER field on the order form.

If I have 10 orders designating me as BLOCK LEADER, I will get my name on the Luminaries For Love website which would be pretty cool. If I have 50 orders, I'll get to decide where to send a \$500 donation, and I'm thinking of choosing:

Thank you for considering ordering
& designating me as your BLOCK LEADER!
