And what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God.

The churches at SOUTH HAVEN, MARKHAM, and BLACK OAK were honored on the fourth weekend in February by the presence of Bro. Lawrence and Sis. Maude Brown. Bro. Lawrence brought only words of encouragement and cheer. As always, he was his smiling, cheerful self; his very appearance and presence being encouragement to the children of God. On Saturday night, Bro. Lawrence and Sis. Maude rejoiced with the children of God in a wonderful service at SOUTH HAVEN. Present also were most of the members and families of the Sacred Tones Quartet from the south. The Lord showered his blessings on all these good people as they truly had an old fashioned shouting meeting. The saints of God worshipped with Bro. Lawrence at MARKHAM on Sunday morning and at BLACK OAK that night. Bro. Lawrence encouraged all to know the Lord and the power of his resurrection. He further instructed to know when the Lord speaks; to know ourselves; to not count ourselves too small or unworthy, but rather since all have a place in THE BODY, find our place and work. Bro. Lawrence also had much sound, sober, and edifying advice that strengthened God's people. One thought that particularly remained, as evidenced by later testimony, was the advise that the children of God, when testifying should address each other as Brother or Sister and not just call their name; for to so name each as Brother or Sister shows due love and respect. Before leaving, Bro. Lawrence expressed that he had more enjoyed himself on this visit than ever before; and the saints in the north are glad Bro. Lawrence and Sis. Maude enjoyed themselves because the feeling was truly mutual.

On the second Sunday morning of March, the members of the three northern churches

met together and worshipped at SOUTH HAVEN. After a couple of testimonies, Bro. Leroy Duvall offered himself. The power of God began to move upon Bro. Leroy and the Lord began to direct his words to those with-

out God. Bro. Leroy's stirring words were quickly followed by those of Bro. Thomas Kerley who continued in advising the lost of their perilous condition. At the ending of Bro. Thomas' testimony, Bro. Charlie Brown moved right in place as he talked to the lost and gave them opportunity to pray. It was wonderfully edifying to see these Brothers work together in unity. Though no one made it through that morning, Sis. Debbie Gerhart did at BLACK OAK that night. She is the sister of Sis. Judy Estes and the daughter-in-law to be of Bro. and Sis. Grady Estes. Sis. Debbie's testimony afterward should be encouragement to all who are seeking God. She prayed for quite a long time that night before making it thru. For a long time her Glories didn't appear to be getting too high. She continued to pray even though every-

one else had quit, not many were praying for her, and a couple of songs were sung. After a while, Bro. Thomas Kerley walked over by her and spoke a few words of encouragement. Within a couple of minutes the good Holy Ghost came as evidenced by speaking in tongues, and it filled the house with rejoicing. Sis. Debbie testified that she had promised the Lord she wasn't getting up without the Holy Ghost, even if it meant everyone going home and leaving her praying alone. It had to be discouraging for awhile, but she meant what she had promised and the Lord knew it, tried her, and didn't forsake her. This was a wonderful service even before. It was almost as if the Holy Ghost had been sent when Sis. Faye McKenzie fell under the power of God and began speaking in tongues for the first time since she had received the Holy Ghost. She had been thru a hard trial and this blessing set her free. The children of God rejoiced with her. The feeling brought with this blessing caused Sis. Faye to begin hugging the sisters just as would a new born child of God.

The saints of the north have been recently visited by and worshipped with a number of the children of God from the south. Bro. David Maples and some of his kin from Huntsville, Sis. Thelma Teet and Sis. Debbie Summerford, Bro. Winston and Sis. Betty McAllister from Scottsboro, Bro. Buford and Sis. Dorothy Warren from Nyla, and Sis. Ida Gaught from Pleasant Grove have recently edified and rejoiced up north.

Bro. Buford Warren said, "*they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk and not faint*". He was quoting this scripture from Isaian at PLEASANT GROVE on the Thursday evening service, March 8th. The number of saints present were small but the reeling in the Lord was good. Bro. Buford went still further in his talk by telling an incident that happened to him when he was a lad. He was around the age of twelve when his father Bro. Robert took him and one or two of the other children to south Alabama. Bro. Buford had not been used to staying away from home and he became homesick, for they continued their stay for about three weeks. When they headed back to north Alabama, Bro. Buford was a happy boy even though he had to ride in the back of the

truck that his Dad was driving. By the time they got close to home, the heavens was letting down a very cold rain and the young boy in the back of the truck was very chilly and was looking forward to getting around the nice warm fireplace at home which was just a few miles away. But as life is, this family drove up to a bridge that was washed out from high waters. The lad was so let down by this sad turn of events, for it was so dark and dreary, cold and wet in these early morning hours (around 2 a.m.). After a little bit he saw a light probing the inky night. It was his father searching the creek bank with a flash light for he was looking for something to rebuild the bridge with. After a time of laboring very carefully he managed to erect a bridge from some of the old timbers that had been washed off by the rushing torrent. Then it was not very long before Bro. Buford obtained his heart's desire. He was safe at home by the warm "old fireplace" and the cold and misery were all but forgotten. This night at PLEASANT GROVE, Bro. Buford used this to show we might have to be patient and build a few more bridges before we get home... Amen....This same evening Bro. Clarence who came in when meeting was almost over (Bro. Clarence and Bro. Tom Buckner had been to Bro. John Sanders' home for prayer. The elders had been called in this night to pray for Bro. John because he has been seriously ill for some time) exhorted the saints to keep pressing their claim before the Lord and in due time He will answer if we faint not.

Sis. Nora Hopkins has been praising the Lord ever since he healed her a few weeks ago. She had been in intense pain with a swollen face. She didn't know what was wrong, but her face had become so puffed one of her eyes was closed. The church was called in at MARKHAM for prayer. Bro Lawrence Brown who was visiting from Alabama was present, as also was Bro. Thomas Kerley from BLACK OAK and Bro. Charlie Brown from SOUTH HAVEN. Before these saints departed the Lord had healed Sis. Nora and the swelling was leaving also the pain had ceased. Everyone went away from MARKHAM rejoicing over the goodness of the Lord and the Word of God they had also heard.

The Lord gave LAKEWOOD PARK their heart's desire on the 2nd Sunday evening in January. The Lord sent Bro. Jack Denson from SCOTTSBORO down to help them and they were able to take the Lord's Supper. The Lord also blessed everyone of his children, especially during and after the foot washing....Another prayer the Lord answered was he sent them a song leader Bro. Billy Williams. The saints here are proud of this family. Bro. David Summerford believes that "everyone that comes here is hand picked by the Lord". On the 4th Sunday night, LAKEWOOD PARK had a meeting that will long be remembered. Sis. Bobbie Hollaway tells how good it was... "when Bro. David Summerford stepped out, everybody was standing and he started walking with

Henry quit hurting and started doing better. The next day he was his "old self" again.... Meetings have been good all along at OAK GROVE.

Last night (3rd weekend) Mr. and Mrs. Hubert Carroll brought their little baby from Chattanooga to have it prayed for. It had been in the hospital for about 4 weeks. They had tapped it's spine twice. We all prayed for it. I wish everybody could have seen how that baby perked up. I believe the good Lord healed it. The Lord is good to us. They said Sunday "it is still doing fine". Thank the Lord. Sis. Lealer Cushen (Free Home)

The Lord blessed at NYLA over the 1st weekend. Both the Saturday evening and Sunday morning services were good. A birthday dinner was given for Bro. Robert and Sis. Cora Warren for their 67th birthday. The Sunday evening service started off "slow and easy" but it picked up wonderfully. The Lord moved with Bro. Ray Davis. The inviting feeling toward the Lord's Supper was present and Bro. Robert set it and had it divided among the saints. There was a sadness mixed with tender love when some of the children of God did not partake of the Lord's body. Just as the church was about to proceed into the foot washing Sis. Audrey Gossett walked across the altar and layed her hands on two of the brethren. One of these brothers, Bro. Coleman Sanders arose and began to tell how he desired to please God. He further stated that he knew that one of the brothers had not taken the Lord's Supper because he was waiting (tarrying) for him. Bro. Coleman said, "I had just ask the Lord if he would be pleased with me taking his body to allow someone to lay hands on me. Now I can take it" he said. When this beloved brother said this it seemed like the Lord opened up the windows of heaven "just a little" for the love of God was everywhere. The brother who loved Bro. Coleman and was tarrying with him took the "body and blood" as did everyone who at first had failed to do so. The Spirit of God moved on one sister toward the back of the house and as she came up the aisle "shouting", Bro. Robert met her in the altar. In his outstretched hands he was holding the Supper and this sister also partook of it....Needless to say this good joy followed these saints into the foot washing. There was such love that Bro. Robert was seen kissing one

Sis. Carolyn & Bro. David

his hands up. I looked and saw his dad and mom, Bro Shellie and Sis. Earie, and Sis. Gladys, his mother-in-law, who came across the church leaping and jumping (of course). Bro. Ray and Sis. Lorene Parker from NYLA were blessed by the Lord. Sis. Maudie May Odell has a lot of confidence in Sis. Betty Dalton and she has been desiring for 5 years that the Lord would have Sis. Betty lay hands on her. This sister was walking across the floor and behind benches and laid her hands on Sis. Maudie May. Sis. Carolyn, Bro. David's wife, was all over the church on her knees in the goodness of God." A lot more happened here but one thing is sure, these saints are enjoying themselves in the Lord. They are still thanking the Lord for the good revival services they had last month when Bro. Henry McLain was with them.

On the third Wednesday evening there were only a few saints out for service at OAK GROVE on Gunter's Mountain. Bro. Henry McLain, who conducts service, was ill and had been for a week. During prayer, Bro.

of his brothers feet...Surely this meeting will long be remembered. (How good it is for God's people to love one another in such a Godly way.)

"We have a big family (13 children) but the Lord has always been there to take care of us. When our last child, Paul Ray, was born, something was wrong with him. The doctor said I should watch him real close. At 6 months he started having some kind of spells, epilepsy, we supposed. Paul Ray was never taken back to the doctor. Any way he became worse and as he became older he had as many as 5 of those spells a day. Not many days went by without one or two. I remember praying once 'Lord if some day you will heal him let some one lay hands on him before this weekend is over". All

Bro. Lowell & Sis. Bobbie

through Sunday night service at HARVEY church none did. We were outside of the church after it was dismissed where there was a big crowd. (The Lord knew how I had prayed). The Spirit of God moved with Bro. Dennis Denson and he came over and layed hands on Paul Ray and me. I then knew some day the Lord would heal my son, but he became worse, the spells were harder. I kept praying along with all the saints up north. A lot of these people had seen him when he had these spells and knew how bad they were. One day it seemed like the world fell in on me. Our oldest son had to go to Germany and besides these we were told we would have to move. My husband, Lowell, had been praying about going to Florida to live. We and so many good children of God looked for a house. Lowell would drive for miles seeking a house and one day he told me the reason we couldn't find one was we were supposed

to move to Florida. I did not want to. Lowell said, "The Lord might want us to go before he heals our baby". But I had a time getting willing. Almost everyone knew how I felt those saints were the only family I knew...Well now we are in Florida and the Lord has healed Paul Ray. He started getting better after we came here. That was 3 years after the Lord had Bro. Dennis to lay hands on Paul Ray. He is growing and he has a good color as any baby or big boy. And I have been satisfied ever since the day we arrived....I like to tell how God is good to us. We are doing the best we know to please Him...Pray for us here.

Bobbie Helaway

A nice sized crowd gathered in to pray for Bro. Ephraim Davis at his home above Trenton, Georgia on the 2nd Tuesday evening. Bro. Ephraim had been ill for about a week and was suffering especially at night. As the saints began to sing and testify, Bro. Virgil Trotman started singing, "Oh What A Happy Day", and the Lord started moving with His spirit. Bro. Warnell Wooten's wife, Sis. Marie layed her hands on Bro. Ephraim and the "work was done". Sis. Marie had not planned on being here for she was sick also. She did not want Bro. Warnell to go by himself so she went and God also touched her. Everyone seemed to enjoy themselves. Bro Hodges Moore was present and the Lord helped him.

Raford Farmer, who was a professional gambler, came to the ROCK HOUSE the 3rd Sunday lost, but he came with a godly determination and he left added to the "Lamb's Book of Life." Bro. Rafford who is the son of Bro. Lewis Farmer prayed all during meeting and as they were fixing to dismiss he fell back in the altar and stayed there until the Lord gave him the Holy Ghost and that was around 3 o'clock over in the afternoon.

Sis. Jean Moon was one of the many who were rejoicing in the Lord at KEEL MOUNTAIN on Friday evening of the 23rd. She told how recently the rains came down and the waters came up on Hobbs Island in Alabama as it did in many other places. Sis. Jean wanted to leave this island so she might be in church services over the weekend. Everyone had been warned against going through these waters in a car. The other residents were being vacated out by boat. Sis. Jean's husband asked what she wanted to do. She,

then started praying and a good feeling came over her and she said, "yes, we can make it". As they started out they could not see the road, all that could be seen was an occasional reed or grass pushing it's way up through the dirty water. The water came half way up on the door of their automobile. They went on and it became worse and Sis. Jean just prayed a little harder. When the good feeling of the Lord came by again, she again asserted, "Yes, we can make it" and make it they did and not a drop of water entered the vehicle. When the water subsided and they were able to return down the same road there were places washed out on the sides of the road big enough to "bury a car" but Sis. Jean said the Lord could have taken care of that also, if they had went into it...This wasn't the only good testimony during this evening service. People were "shouting and rejoicing" all over this little church house. Bro. Ted Dudley's

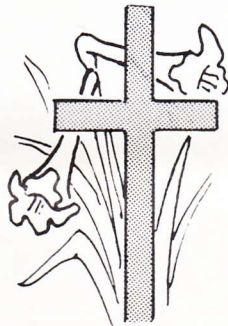

Sis. Louise & Bro. Ted

wife, Sis. Louise, brought the best feeling when she just came out from behind a bench.....Sis. Mae Troglen, Bro. Duke Cowan and his wife, Sis. Ella, and many more were over in the goodness of God... The following evening (Saturday) they honored the Lord's Supper.

And the work of righteousness shall be peace; and the effect of righteousness quietness and assurance for ever. And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places

Meetings are good to wonderfull at Hytop Ther were two wonderfull ones over the 4th weekend with the Lord helping the church to be encouraged...At SKYLINE there was a real good service on the 4th Satureday even-

with God coming in their midst....PLEASANT GROVE was blessed by the Word-of-God through Bro. Jack Denson and Bro. Frank Guffey on the 4th Sunday morning. These two preachers work together good. Sis Lila Guffey Bro. Frank's wife was also a help, especially to the sisters....The Lord is helping at GRASSY MTN.. There is good love among themselves here. Bro. Eli who leads services here was with a few others saints who stopped off at SKYLINE on their way home from praying with Bro. John Sanders who has been ailing. Even though these brothern were pretty late they brought a good feeling with them, so much so that it gave the meeting that was in progress a lift...Bro. Autman Telley brought a edifying feeling at Scenicland on the 4th Sunday morning. Bro. Lawrence Brown brought the precius Word-of-God beautifully,

He that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty; Saints

here are still discussing how good the Word came and how it helped and fed their souls. The following Tuesday evening meeting was again edifying with saints from Highway 75 and Higdon present. Bro. James Whitley and his wife Sis. Tibs and daughter Sis. Faye were all enjoying themselves. But Bro. James was way over in the goodness of God and he edified the body of Christ here....Good news is still coming from BEIRNES AVENUE in Huntsville. All around the Holiness circuit people have been talking of the way Bro. Bill Price was rejoicing in the Lord's goodness one evening this past month....BIG COVE has had good meetings lately with another soul being added to Gods church by the Lord. His name is Bro. Randy Bullard and as Bro. Obie McLain said "the boy sure recieved the Holy Ghost". We are glad to hear that the Lord is blessing so good here...Another soul made it right with the Lord at HIGHWAY 75. He is Bro. Shannon Tinker. The Lora has been healing here also. Sis. Whitey who is blind and 84 years old called for prayer on the 3rd Saturday evening. She was real sick until the church prayed for her. But she was setting up in bed praising the Lord before the people went home. Bro. Dewey Barrier was exhorting the church here on the 4th Sunday from the 12th chapter of Romans. "be ye not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God. This day the Lord also blessed Bro. Jim Nappeir.... SECTION was also encouraged in the Lord through Bro. Walter Hill and Bro. Erskine Webb.

Welcome VISITORS

"May I extend to you an invitation to help a new church (WILSON ROAD). All the saints at 1013 Wilson Rd., Rossville, Ga., (outskirts of Chattanooga) need your spiritual support. At the present we have meeting every Sunday and Sunday evening except on our main weekend which is the week of the fourth. This week we have service on Saturday evening also which is the time we set apart to honor the Lord's Supper. Evening services are at 7:30 and morning services are at 11:00.

There are glad tidings coming from the WILSON ROAD church. Bro. Will Guffey and Bro. Hodges Moore have been helping here as the opportunity arises. The Lord has been blessing here in a good way. Bro. Ben House was bound in the spirit and the Lord gave him the 14th chapter of Revelation. On this same evening which was the 4th Sunday, Bro. Millard Guffey from SOUTH PITTSBURG, was "feeling his keeping" and the church was edified. Also, Bro. Edwin and Sis. Dean Spurgeon were rejoicing with the children-of-God....Bro. John and Sis. Oma Roach's daughter, Kathy, is the one who came to the Lord during the 1st weekend here. They live in Huntsville, Alabama.

Ben E. House

Bro. Shelton Black son Dennie who is 6 years old had a case of the flu when he asked his daddy to have prayer for him. The Lord moved when they had prayer and little Dennie is alright...It is good to see this pure faith in children...

Sis. Bernie Fortner was sick in bed with possible pneumonia for several weeks. One evening Bro. Morgan Golden and a few of the saints gathered in to visit with this beloved sister. As these children-of-God were talking about the Lord and His bountiful goodness a good feeling came by and Sis. Bernie stopped hurting right then. Bro. James Earl Guffey who was also present had been having a serious headache until then and "it just vanished" too...What seemed so good was the Lord came by so calm and peaceful...What these saints probably did not know at the time was, they were having prayer for Sis. Bernie at HIGDON.

Bro. Jim Goza, who passed away this past month, baptized his first time when he put Sis. Lealer Cushen under the water back in the year 1914. Sis. Cushen is still with us. She has been serving the Lord since she was a young girl and she has not changed from the way she started....We took this out of a letter that Sis. Lealer wrote. "...I am about seventy years old. I have had the good

Sis. Lealer & Bro. Milo

Holy Ghost since the year 1914. That has been a good long while but I still love the Lord. He has healed my body many many times. One time He healed me when I had a heart attack. I don't guess I have missed going to meeting 12 times in 13 years. I thank the Lord for that..." Her husband, Bro. Milo, finished his earthly journey in 1971. Sis. Lealer who is pressing on to meet him, attends church regular at FREE HOME.

On the 1st Saturday evening found Bro. Reuben and Sis. Marie Gaught at NYLA. Sis. Marie "really got in it" as the Lord used her to edify His children....On the following evening Sis. Daffie Mahathey from Rocky Branch, was all over the church at this place as the Lord blessed her. She is from England originally. Sis. Lou Belle Culver, Bro. Bobby's wife was taken ill until Bro. Coleman Sanders became subject to the Lord and his hands went on her and she was healed.

A friend loveth at all times,

REMEMBERING

Bro. Bob and Sis. Lissie Bonds

The Lord has been helping His saints at SCOTTSBORO with good services all along. Bro. Frank Guffey instructed Gods people not to be overcharged with Drunkness, Surfeiting and the cares of this life. These saints had a good day a little while ago. Here is what happen in Bro. Willis Brown's words "Early one morning we were called out to the church to pray for a infant baby. The Lord moved in that prayer and reports were "the baby is O.K.". Later the same day we were called to Bro. Shirley Bryums to pray for his wife who had something wrong with her head that was causing her great pain. .Sis. Betty said that this was no ordinary headache. Well the Spirit of God fell and Lord instantly healed her. WE were all having a time feeling the goodness of the Lord. Someone mentioned going down to Bro. Winston McAllister and praying for his wife Sis. Betty Ruth. Everyone went ther including Sis. Betty Byrum who we had just prayed for. We prayed for Sis. Betty Ruth and the

Lora moved toward her. I made the remark to some one after all the praying that day, that we were like Daniel at least one day we had prayed three times"...It is indeed a comfort to know that god is still blessing and helping those who love Him.

On the Saturday evening meeting (1st) at Skyline was good with Sis. Ethel Polston from Huntsville enjoying the word of God. She said it sounded like it did 50 years ago. Some of the saints said Sis. Ethel acted like she did 50 years ago also. It was beautiful to see her in the hands of God. Sis Ninnie Louvorn and Sis Pollie , the sisters that love the Lord were also here with Sis. Ninnie's son Bro. Marvin and they were enjoying them selves in the Lord. Bro. Eugene Stephens and Bro. Billey Brewer were recalling the days when they were still in school and how the Lord helped them. Bro. Billy told how after he recieved the Holy Ghost and returned to school(he was in the 8th grade), his teacher remarked on how he had changed and asked what had happened? One of Bro. Billy's classmates who knew what happened spoke up and said" he's got the Holy Ghost now". To this his teacher replied "I don't know what that is, but after the way it has changed Billy I wish all the kids here had it!" He spoke this way because he knew how mean and mischievous Bro. Billy had been... Bro. Eugene was saying how after God came into his life he would keep his mind on the Lord while he was trying to study and his marks in school stated improving.

On the following Sunday evening service The Lord used Bro. Arville Stubblefield to lift up the church and touch those who were lost. When he was testifying it was almost like the portals of Glory were opened for a little bit.. We're proud of you Bro. Arville..

We want to pass on to you a testimony that Bro. Ray Parker gave at Nyla a little while ago. He said that he was in the Armed service he had become pretty rough. His buddies would ask him what his wife would say if he went home drinking. They asked this question so much he began to wonder "What would she say"? When he finally came home from the service he wanted to know from her what her reaction would be, she only replied "I don't know what I would say". One evening when they were in the store buying groceries, he would find out the answer to the question that had been causing him to wonder for so long. He took a 6-pack of beer and placed it in the shopp-

ing cart. If she said anything, his mind was made up to drink every drop of the beer. If his wife (Sis Lorene) didn't say anything he would put the 6-pack back. He had to put it back. Sis has told since then how embarrassed she was pushing a cart around the store with beer in it. With a wife like that, it is no wonder that Bro. Ray came to God,

Bro. Monroe & Sis. Olgie

The 1st Sunday morning the church at BROWN'S Chapel honored Sis. Olgie Knight on her 70th birthday. She is very highly esteemed by this community and every where she is known. Her beloved husband, Bro. Monroe was taken by the Lord in 1957. She has endured these years without him but we all feel like she will be with him again soon and what is even better, she will get to see our Lord and be with Him FOREVER...Sis. Olgie, we all love you.

and saw the love and compassion in his face. It was a wonderful blessing to be there and feel his heart felt thanks to those who gave and also to those who were not able to give. May Gods riches blessings be with you all. Bro. Harold and Sis Libby and little Holly thank you very, very much. I would like to thank each one of you personally...II Cor.9:6 "But this I say he that soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully." ASLEEP IN CHRIST

Bro. Paul Byrum was called away to be with the Lord on the 3rd of March. He was from Huntsville

Bro. Jim Goza a " Preacher-of Rightousness " was taken out of this vale of sorrow in his 88th year on March 11th while ne was on his way to be in worship service. He had served the Lord over 60 years. He will be sorely missed by those who love the truth.

WE do not know how to express our deep apperciation to all the helping hands we recieved in putting out this paper. People call it "your paper" but it is not. Without all the help and support that has been given us, we could not have done it. There is a number of saints that send us good news regularly. If any credit is due it goes to them. Also while we are taken up space we want to say we DO NOT CHARGE anything for this paper. Anyone wanting it has only to give us your name and address. The only reason we mention this is because all along someone will tell us they would like it but they can not afford it. The Lord gave us the understanding when we started this, if we would do it in faith he would supply all the necessities involved in it. He has done what he said He would.
