" Be kindly affectioned one to another with brotherly love; in honour preferring one another."

The Lord is still blessing at LAKEWOOD PARK in Florida with the children-of-God walking hand in hand in the love and fear of God.

On the 2nd Sunday evening of April, the Lord once again blessed his children during our communion service, which the Lord lead Bro. Hoyt Dalton to set. There was truly the perfect love and peace among the brethren and sisters as we took part in this service, for the Lord was with us all. We then had testimony service for those who wanted to give thanks to the Lord for His goodness. Sis. Fay Lohenitz stood up to honor God for standing by her through her daily trials and He rewarded her efforts by wonderfully blessing and leading her to lay hands on Bro. Hoyt's sons, Steve and Stanley who were ill. (They are doing fine.) Sis. Rhonda Putnam was lead by the Lord to sing "Holy Light Keep Shining Upon Us" and as Sis. Opel Craig took her arm to lead her out from behind the bench the "power of God fell", both sisters received a real good blessing from the Lord. Sis. Joyce Williams ask the saints to pray for Sis. Elaine Collum, who was absent from church because of a very painful toothache. Before Sis. Elaine went to bed this same evening, she was eating potatoe chips and the tooth fell out. (Thank the Lord). We all want to thank the Lord because He moved toward her. She said she is feeling so good without that toothache, she had almost forgot how good she could feel.

We want to thank the Lord for our two new sisters, Sis. Sue Stapler and Sis. Carla Craig who received the Holy Ghost last month when Bro. Henry McLain was with us. We are proud of how they work for the Lord and we enjoy seeing Him bless them like He did Sunday night.

Sis. Carolyn Summerford, Bro. David's wife is still feeling the goodness of God. Sometimes she is all over the church on her knees. The Lord is blessing Sis. Gladys Cardin. Sis. Bobbie Holaway commented on Sis. Gladys as being "one more good one". Sis. Bobbie asked her husband one day this past month, how he was doing as he came in from work. "Boy! I have felt as good as I did the week I received the Holy Ghost." What was so good was Sis. Bobbie ran into a sister in the grocery store who asked about Bro. Lowell and said, "We have been praying all day for him."

The Lord is encouraging his children at BEIRNES AVENUE in Huntsville. He has blessed them with some good services all along. One of these was on the 2nd Saturday evening, where almost everyone that move was edified of the Lord. Sis. Edna and the late Bro. Oakley Browns daughter-in-law Sis. Delores was in the library of God as He blessed her all over the church. Although Bro. Harold Simmons has been going through a serious illness he is still holding onto God and the Lord blessed him this night also. Sis. Sibyl Bradford (Bro. Gary's wife) was testifying even through she has been having back trouble. The Lord blessed her and she obeyed the Lord and put her hands on a young lady in the back of the church. By this time a number of other saints were glorifying God. One of these was Sis. Nancy, Bro. Troy Walls's wife, plus many more. When Bro. David Jones gave altar call a women who had not been to the altar came and within 5 minutes she came up shouting the victory in Christ. And that familiar sound "like a mighty wind" of

joy filled the house. She is Peggy Lane, the daughter of Bro. Bud and Sis. Louise Maples. When she finally testified she told how she had ask the Lord to have Sis. Sybil's hands to go on her," if you do I will go to the altar " she said. This was a good place to be. After service was dismissed little groups of saints were still lingering and every little bit the joy of God would raise it's voice among them. At the begining of the meeting Sis. Ninnie Louvorn was very quite but after the Lord came by she was now full of the joy and goodness of God. As she walked around amongst the saint the spirit of the Lord would used her and the little group would split up shouting and rejoicing, only to gather back again until the good love of God would bust out again...

Meeting was run here until Wenesday evening with Bro. Henry McLain, "the Apostle of Love ", helping and encouraging the church... On Wenesday evening Bro. Edwin Spurgeon from the Bryant community brought the good edifying feeling of love in the midst as he told how the Lord helped him when he felt so alone and forsaken when he was inducted into the Army. His sister who lives in Huntsville, Sis Etilka Selvage was rejoicing over the way God has aided her with her son who has been having physical difficulties. While she was up the Lord used her to touch some of the saints who were suffering. One of these was Bro. Paul Simmons who was having a tooth-ache until this sister's hands went on him. Bro. Paul said " when her hands touched me the tooth quit hurting". The Lord then blessed Bro. Paul wonderfully, and it brought the children-of-God to their feet as they rejoiced with him... It is wonderful to see the Lord bless this saint. He is a large man but when the Lord is blessing him he looks like he is as light as a feather.

On the first Tuesday evening in April the Lord blessed at SCENICLAND. Bro. Paul Guffey, Bro. John Tinker and his wife Sis. Jesse were here from HIGDON. The Lord blessed them. The best part of the service was in first prayer where the Lord moved with Bro. Wayne Williams in a goodly way. He was bound in the Spirit and the Lord talked with him. It was good.

On the 2nd Sunday evening this church had afree service with everyone working together in their place and everyone was dified.

Bro. Jack and Sis. Wanda Moon were very proud parents on the evening of the 3rd Sunday, for the Lord came into the life of their daughter Vickie. Sis. Vickie was like an angel as she rejoiced and showed her love to all the saints here. This happened

Sis. Wanda, Bro. Jack, Sis. Vickie, Sis. Hilda and Sis. Kimberley.

at the end of a very good service where the Lord had blessed the church and about everyone had testified and praised the Lord. Bro. Hodges Moore and Bro. Millard Guffey were telling " thus saith the Lord.

On the Monday evening the week before, little Kimberly recieve the Holy Ghost. She is the daughter of Don and Sis Hilda Lawson. Bro. Ben House is her grandfather. Her daddy, Don is in the altar seeking the Lord.

We want to pass on to you, one of the many letters we recieved this past month.

"I'm a sinner and so is my husband. He was raised by a good Child-Of-God who has passed on. I never knew Holiness until I came into this family.

The main reason for writing is to ask for prayer for my husband. He is an alcoholic and he wants to quit drinking. But he needs Gods help. He has come very close to death even sucide, many times. His name is Wayne. I really belive in prayer and I Know the Lord will hear our prayers and help Wayne."

Thank You
Wayne's wife

Come unto me, all ye that labour and are heavy laden, and I will give you rest.

Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.

We are happy to pass on to you a testimony from Bro.Horace and Sis.Vicie Williams from Hammond,Indiana.It was written by Sis.Vicie,by our request.

"I just don't hardly know how to begin. As I start to think,it brings back lots of memories of the past 40 years that we have tried to live for the Lord. As I remember it was in the early 1930s when Bro.Henry and Sis.Minnie McLain were living in Williams Cove with us at the time.Our revival was running and one night Bro.Henry was preaching the good Word-of-God with power and the signs following. He said " and nothing by no means shall hurt you". After meeting a couple of friends went home with Horace and I to spend the night. They were Sis.Mary Pendergrass and her husband,so early the next morning Horace went down to the barn to feed the stock. As he reached in to the crib to get some corn,a copperhead snake struck him on the hand and he came running to the house,and through the house out the back door,where I was by the kitchen door. He was pale as death as he said " Lord, Vicie,come in here,I am snake bit." It was surely God who caused me to say " Oh well it won't hurt you." I just didn't have a bit of fear because Bro.Henry had just said the night before,that nothing by no means shall hurt you,and we didn't even pray for him. Sis.Mary said"lets go see if we can

Sis Vicie and Bro.Horace

find the snake." In the meantime someone had gone over into the Cove to get Bro. Henry and the other saints. Bro.Henry said that as soon as he heard what happened, he thought of what the Lord had given him to preach the night before. When he arrived at our house the Lord had taken control and was blessing us to take up the copperhead. And,Yes! Horacegot to handle it and he never felt no more pain from the bite. We had some there that didn't belive in Moliness and they were saying bad things such as

" stick your finger in it's mouth and watch them jump. But God had his good way and He stood beside us. There are so many more good things that the Lord has done,I could go on and on telling of the good thing God has done done for us such as healing one of our sons when he was a child. He had not walked in 6 weeks. We called for the elders of the church. He got up right then. When we had stopped praying he was out in the yard,(Oh praise His name!) playing.

Children of God I would like to earnestly ask for you to pray for me. I have been in a bad shape for 3 years. This awful thing in my head (such a noise) all the time and I suffer so bad,I can't stand to go to church hardly. The noise hurts me so bad I can't stand the singing. I know the Lord can heal me for he has healed us so many times before.

Sister Vicie Williams

Thank you Bro.Horace and Sis.Vicie for a wonderful testimony of the goodness of our God.

There is more good news this month coming from WILSON ROAD in Chattanooga where they had a good 4th Sunday morning and evening services. Bro.Dewey Barrier from OLD SARDIS taught the Word-of-God concerning the sower who went out to sow. The Lord blessed him wonderfully all over the house as he told "some seed fell among thorns and in stoney places,but some fell into good ground and brought forth much fruit." Bro. "Mutt" Spurgeon who comes from Higdon was feeling good talking about the good love we have among ourselves. His son Bro. Edwin was also enjoying himself spiritually (he usually does). Other visitors who were in the freedom of God were Bro. Ernest Middlebrooks from FORT PAYNE and Bro. Jim Nappier from OLD SARDIS. Bro.Collis Scott who comes from Chattanooga was blessed as he told how he was glad he got in this good " pure way ". The best part of the weekend meetings was Bro.Arlen House's girl Patricia coming to the Lord. Sis. Patricia received the Holy Ghost in the Sunday evening service. Bro.Arlen leads church services here at WILSON ROAD.

" Meetings were good the 2nd week-end at HIGDON,especially on Sunday morning when the Lord blessed with the Word-of-God through Bro.Eli Smith of GRASSY MTN. He talked on several different subjects and

they all fit in just perfect. Raising our children right was some of his words. People were heard telling him, after service, how they enjoyed his talk.

Meetings were also good at Brown's Chapel the 3rd weekend, especially on Sunday evening with the Lord blessing toward the sick. Sis. Martha Castle offered herself as she usually does and while she was on the floor, Bro. Lawrence Brown said something to a couple of the brethren about Bro. Bud Barnes was needing help from the Lord, for he had lost a considerable amount of blood. The Lord led Sis. Martha to lay her hands on Bro. Bud. He stood up and said that he had been sitting there so weak that he could hardly get up. The spirit of God came on Bro. Lawrence and his hands went on Sis. Lona Spurgeon, who had an ailment in one of her arms. What was so good was before the Lord moved she couldn't raise her arm but now she was all around the altar shouting and praising God with both her arms uplifted. The Lord is good to his people. He moved and blessed towards Sis. Flossie Key, Bro. G. Henry's wife who has been sick for sometime and also towards Bro. Clifford Black's wife Sis. Fredale from SCENICLAND.... It would take a long time to tell about all the good things that happened here at BROWN'S CHAPEL over the 3rd weekend, for there were so many that God wonderfully blessed. Such as Sis. Elene Castle on whom the Lord truly poured out a blessing and others. The saints here are very thankful for the way God is blessing them and also for the new ones he has added to the church."

Edwin Spurgeon

Meeting was given out for Monday evening at BROWN'S CHAPEL (12th) and the daughter of Bro. Estelle and Sis. Faye Hawkins received the Holy Ghost. Her name is Diane Robinson. The Lord is giving an increasing number salvation in this community. We rejoice with them at this church and pray that they stay in the good love of God where the Lord can continue to bless here.

The church at SECTION appreciated the Word of God that was brought by Bro. Jack Denson on the last Friday evening in March. They loved the Word and were not ashamed to stand up and say so. Bro. Clarence Williams from PLEASANT GROVE also edified the church by telling how the Lord had always been his help in times of trouble.

On the 3rd weekend the Bryant community had a very good baptising at a pretty pond in the neighborhood. The weather was perfect with the first rush of spring in the air and a smile on every face and joy in the hearts, especially of those who went in to the water to fulfill Gods' command.

Sisters Sandra Finlayson, Jodie Blevens, Linda Tinker, Donna Hill, Diane Robinson, Bro. Freddy Spurgeon and Bro. Lawrence Brown.

Forgive us for taken up precious room here but we want to say we love everyone especially Gods children. If we write frequently about one individual or church it is because we hear good things coming from this person or community. We have people who seem closer to us then others but as far as this paper is concerned we treat all of Gods saints just alike because we love and respect everyone that has Christ in them. We have put so much happenings in this paper from BROWNS CHAPEL that we catch ourselves being just a wee bit embarrassed. But embarrassed or not as long as theses saints walk in love and Gods works with them and through them we will keep telling it.

Three brethren from BLACK OAK were at BROWN'S CHAPEL during the 2nd weekend. (Sat. evening and Sunday morning). They were Bro. Leroy Duvall, Bro. Hilrey and Bro. Wesley McLain. The saints in this north Sand mountain church are still mentioning how they were helped and encouraged by these travelers.

But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, Meekness, temperance: against such there is no law (Galatians 5:22-23).

It was mentioned in the April issue now the church at BROWN'S CHAPEL honored Sis Olgie Knight on her 70th birthday during the 1st Sunday. We still did not have the room to tell every good thing that occurred but the love of God was felt as the saints began to drive up in the church yard. Bro. Joe Medley from Huntsville was ready to witness for the Lord a long time before church service started. The crowd was large (wall-to-wall) with children-of-God from many many places. HIGDON, TIFTONIA, OLD SARDIS, SCENICLAND ROCKY BRANCH, HUNTSVILLE, OAK GROVE, ELKWOOD, PLEASANT GROVE and SOUTH HAVEN were represented here with everyone in sweet accord. After the first prayer and one song, Bro. Joe Medley got his chance to testify and testify he did. God blessed him all over (and up and down) the altar. As the Lord moved him about he was heard saying " Glory! Glory! Glory! How sweet it sounds ". His brother Bro. Virgil was not far behind him in testifying. He was retelling the wonderfull happening of how God healed him of epilepsy. He was discharge from the army on account of this ailment. One time in meeting at Bearnes Ave. he had one of these spells coming on him. He started to go out of the church because he didn't want to hinder the service in anyway. He never made it even to the door when he fell and passed out. When Bro. Virgil came back to himself the whole church was around him and pouring their hearts out before the Lord for him. The late Bro. Willis Browns' hands went on him and he was healed from that moment on.

" That was the last spell I have ever had " said Bro. Virgil, as the Lord quickened him around amongst the saint-of-God... Bro. Troy Walls and Bro. Buford West both lifted up the church by telling how god can replace missing bones and healed badly impaired ones. Brother Reuben Gaught and his wife Sis. Marie edified the body of Christ. Bro. Reuben exhorted the saints not to be afraid to say you will put your trust in God. (if you can't trust God who can you trust?) " For didn't " Bro. Rueben said " Shadrach, Meshech and Abednego tell the king of Babylon " we are not careful to answer you O king, we will not bow down to your image nor worship your idol of gold ". Bro. Reuben took the service as the Lord let him be wonderfully free in Him. When he first started talking he mentioned of the times we all are tried and the way seems so dark . He then quoted from the man Job who is rememberd for his patience, " Behold

I go forward but he is not there: and backward, but I cannot precieve Him: He hideth himself on the right hand, that I cannot see Him: But He knoweth the way I take: when He hath tried me, I shall come forth as gold. My foot hath held his steps, His way have I kept, and not declined."

Bro. Henry McLain "the Evangelist" has had a running warfare with a physical illness for some time until on this day, time and again, one of Gods saints would come by and lay their hands on him in love. He has said since then how much better he is doing. (the way he has preached and prayed, especially in the altar since then, we believe he is healed. Bro. Henry talked and it was very edifying because it was the truth, for it concerned the elder brethren walking in charity and for the younger saints being in subjection to the older and " yea everyone to be subject one to another ". Bro. James A. McLain was telling how God made a way for him to come home in time to see his grandmother before she passed away. It was edifying to hear. Bro. Gary Bradford's wife Sis. Syble (from Beines Ave) was feeling the Lord as was many, many more. After the service there was dinner in the basement and later singing which is a monthly occurance here. The meeting which followed in the evening was one big altar call with the Lord giving "Sandy" the first child of the Finlayson family, the Holy Ghost.... Glory!!! She was a happy girl, so were her folks. Meeting was continued through the following week with the Lord giving three more the Holy Ghost. The sum total was four who came to God, one each night. Sunday, Monday Tuesday and Wednesday evenings. They were Sandy and Linda Tinker the daughter of George and Sis Olean Atchley. The daughter of Sis. Eula Lee and Otha Hill, Donna, Jodie Blevins the daughter of Bro. James and Sis. Essie Willmon, who has been seeking God for a very long time. During this " revival " there were somethings that happened that stood out. One was how the Lord blessed Bro. Virgil Trotman's wife, Sis Vera. She was telling how happy she was that God nad stood by her through all her troubles, especially when the law came and took their son Bro. Rocky away. But what she was most gratefull for was that the Lord redeemed her son Rocky, ere he called him away from here. Our Lord had Bro. Shirley Byrum to cross the house and lay his hands on Sis. Vera while she was testifying and she was freely rejoicing in her God as the good edifying feeling prevailed all through the house.

We are happy the way God is blessing so many churches. Services are on the upswing at ELKWOOD where the Lord blessed over the 4th weekend, with Bro. Jack Denson using the word of God. Sis. Peggy Layne was baptised by Bro. Willard Wooten on the 4th Sunday .

Jerry, the son of Bro. Arthur Walls received the Holy Ghost at ROCKY BRANCH on the 1st Monday night in April. Meetings over the 3rd weekend were good with the love of God being very real to these saints. They took the Lord's Supper this same weekend. Bro. Arthur Ragon's wife, Sis. Myrtle, was completely free in the hands of the Lord during this past month. There was a wonderful service here on the 4th Sunday evening with 3 and 4 people on their knees in the altar at one time. Bro. Mitt McAllister stated that if everyone would stay this way, they would receive the knowledge they needed.

Bro. Clyde and Sis. Dutsy Hancock's son, Steven, came to the Lord at the ROCK HOUSE on Friday evening of March 29th.

The Lord has been doing more good things in Huntsville at BEIRNES AVE. Leon Layne came to the Lord on the 4th Sunday evening. His wife, Sis. Peggy, was the one that the Lord baptised with the Holy Ghost at this same place two weeks before. Bro. Leon did not know anything about the Lord until a few months ago. He has been going to the altar for only a short time, when they gave the seekers a chance to pray on this evening when he decided he would just leave the house. After two or three steps towards the door, something happened. He turned and almost ran to the altar. The Lord gave him the Holy Ghost just a few minutes later. This same service found Bro. Harold and Sis. Sue McKenzie from BLACK OAK with a very sick baby. It was crying real hard for a small child. After the church prayed for the child, it was no better. Someone then had Sis. Sue come up and set on the front bench (she was in the back of the house). The Lord then allowed the hands to go on the child and it drifted off into a very peaceful sleep.

At NOAH'S ARK on the 3rd Sunday night, Bro. J. B. Pritchett read from Timothy, "Thou therefore endure hardness, as a good soldier of Jesus Christ." After this the Lord honored in the testimonies and when altar call was given, Carter Pritchett's wife, Edna, received the Holy Ghost after praying on her knees just a short time. She is Bro. J. B.'s sister-in-law and her husband seeks the Lord.

Bro. Obie McLain's wife, Sis. Lucille has a new granddaughter, for the Lord gave her the Holy Ghost on the 2nd Sunday evening. She is Johnny Cantrell's wife, Kay. She came to the Lord at BIG COVE where the Lord has been bless-

ing with the Word-of-God through Bro. Mitchell and Bro. Lige Holland. Bro. Mitchell baptised 6 souls on the 4th Sunday. They were Sis. Kay Cantrell, Sis. Deveda Stone, Sis. Hester Heard, Bro. Randy Bullard and two seekers Archie Poag and Judy (Walls)???

Bro. Jim Black from Scenicland had some kind of serious kidney attach while attending the funeral of Bro. Jack West at Pleasant Grove church. He suffered very much the remainder of the day and through the next. They called the sanints in to pray at their trailer home on Lookout Mountain,

Bro. Jim & Sis. Mary

and a good sized crowd came in. Bro. Henry and Sis. Minnie McLain and Bro. Lawrence and Sis. Maude Brown were present and most of all the Lord was there. During the prayer the Lord had the elders to anoint him with oil and the hands went on him, but the saints did not give up until the Lord raised him up. Then there was rejoicing among the Lord's children as God touched others who were sick.

The Lord helped Bro. Dewey Barrier at SECTION during the Sunday evening of the 8th. His sermon was taken from the 139th Psalms, "O Lord thou hast searched me and known me. Thou knowest my downsitting and my uprising, Thou understandeth my thoughts afar off." Sis. Joan York was here and she was rejoicing in our God.

Old Sardis enjoyed hearing Bro. Willard Wooten from ELKWOOD explain how "we have access to God through his son Jesus Christ." Bro. Millard Guffey was encouraging the saints to "line up." Bro. Dewey Barrier commented that this service was "real good."

Standing from left to right: Bro. Dib Cain, Bro. John Maynor, Bro. Jim Guffey, Bro. Willis Brown, Bro. Tom Perry, Bro. Jim Thurmond, Bro. Will Guffey and Bro. Ephrim Guffey (Bro. Will's father.)
 Seated: Sis. Mag Cain and children, Lillie, Bertha, and Fletcher; Sis. Betty Guffey (Bro. Ephrim's wife) and son, Paul; Sis. Flossie Guffey (Bro. Will's wife) and son, Jesse; Sis. Perry and child (?); Sis. Rody Maynor and child (?). The three children unknown. If anyone has their names, please let us know. (Little black dog unknown.)

Bro. Jack Denson was in the north for a week during this past month. He conducted a weeks meeting at MARKAM where he preached the Word. The trip was well worth while for Bro. Charles Brewer son Danney came to the Lord on Monday evening of the 9th.

Sis. Mildred Peacock had to be helped to church because she couldn't use her leg, but she left, praising the Lord, by herself. God had healed her.

Bro. Buford Warren was quoting from the Word-of-God "Ye can discern the face of the sky but ye can not discern the times". This was at SCOTTSBORO on Tuesday evening (April 25th) where the Lord blessed wonderfully all through service. Sis. Betty Ruth McAllister, Sis. Thelma Teet, Sis. Sandy Finlayson and Bro. Randy Bullard (the new brother from BIG COVE) were all blessed by the Lord. Bro. Randy just came to the Lord last month but he testified real soberly of how the

Lord had helped him and his wife and had healed their little baby. The crowd was very large (wall-to-wall) but the fellowship of the Spirit was very good. People were present from all over the Holiness area, in this part of the country. There was Bro. Mitchell Drake from BIG COVE, Bro. Charlie Brown from SOUTH HAVEN, Bro. Scooter Jones from MARKHAM, Bro. Frank from SKYLINE, Bro. Clarence from PLEASANT GROVE, Bro. Paul Pell from FREE HOME, Bro. Lolyd White from OLD SARDIS, and Bro. Paul Simmons from BIERNES AVENUE and many many more. Bro. Paul was a great help in the singing (and shouting).

KEEL MOUNTAIN is still having good meetings. One especially good one was the Friday evening before the 2nd. Bro. Ted Dudley was one of the ones the Lord helped.

The Lord is blessing all along at the BEND OF PAINT ROCK.

TIFTONIA has had some uplifting services lately, especially one thursday evening service where Bro. Luther Hill felt the best he ever has since the Lord came into his life,

The Lord has been real good to his saints at HYTOP. He has blessed them with some wonderful services this past month. One of these good services was on Monday evening af er the 4th weekend. Bro.Charlie was down from South Haven and Bro.Ronnie Parker, Bro.Wesley's son was remembering the time when he was lost and he also had amnesia, (loss of memory) and this same Bro. Charley was preaching about Noah being entering the Ark and the Lord God closing the door and all the wicked men and women and their children drowned in the flood waters that came upon all earth. Bro.Ronnie told how he went to the altar that night a said to the Lord, ' Oh Lord,I'm sick and lost and I need you.' The Lord gave him the wonderful Holy Ghost right there. Bro. Charley again testfied about Noah and the oppertunity that was given all the years that the Ark was being built for the ungodly people to repent but they did not heed Bro.Noahs voice (they probably thought he was a mad-man. Bro. Frank Guffey went on from here,with the Lord blessing in a goodly way, telling the lost souls that the sun was now going down and God is stilling sending out voices,pleading with these souls to repent. HYTOP was a very good place to be on this night. Bro.Arville Stubblefield was telling how good the Lord had been to him. Bro.Virgil Medley from Huntsville started to head for home during the altar call but he said "I'm afraid I might miss somthing good." If he ahd left,he would have missed something good, for when he decided to say a few words just before service was ended the Lord blessed him and blessed him. He felt so good then he didn't WANT to go home.

Tuesday evening found Bro.Lawerence Brown at SCENICLAND praising the Lord for the many good things He had done for him and his family. His wife Sis.Maude went on from there,telling of the time when they live in the north and they had to give up the two rooms they were living in and they had no where to live. In this problem Bro.Lawerence became seriously worried. Sis Mamie Brown, Bro.Lawerence's mother knew something was wrong in regards to her son for she became burdened about him. As she talked to God she said " Lord,I don't know whta is wrong,and my arms are to short, but your arm is long enough to help my son." Bro.Lawerence became sober minded and the Lord made a way for them to have a little place just across the street from where they were living.

If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?
