As winter continues, be aware of our policy- we will no longer be closing if schools do. Please check Facebook for details in the event a closing MUST occur. This becomes of importance as we near the start of recital rehearsals. As always, use your discretion, but please note our attendance policy.

At the beginning of the dance year, we asked our dancers to create a list of dance goals for the day, week, month, recital, etc. As we kick off 2019, we are revisiting those lists, seeing if we have accomplished any, or are on our way to reaching said goals.

We ask that your dancer create a new list (near their previous one, if possible). It should be titled "2019 E.P.I.C. Goals" If your dancer shows Miss Christy this list at the first class when we return from break, they will get an extra stamp!
