WHAT WE BELIEVE

Inalienable Rights: We believe that man's "rights" flow from the Creator and the rights of life, liberty and justice cannot be legitimately granted or rescinded by men.

Judeo-Christian Foundation: We believe in the guiding force of moral laws expressed by Judeo-Christian ethic contained in the Holy Scriptures of these historic faiths.

Self-Government: We believe that the only answer to the current moral decline that our nation now faces is a return to the beliefs and standards of morality which our founding fathers placed into the constitution. We believe with the framers of that document when President stated, "This constitution will not work except with a religious people." We understand that the concept of self-government begins with governing oneself first, then family, community, state and nation.

Education: We believe in the rights of parents to a quality education for their children. We support parental choice to create competition among the schools. We must ensure that no school or teachers union can compromise the education of our children advance a political agenda at the expense of our future generation's educations.

Taxes: We believe that the federal tax system is abusive to the American people while discouraging investment and growth. We believe in growth-oriented tax policies which would gradually eliminate punitive income taxes and move our tax system in the direction of use taxes and sales taxes only.
