

Latheron, Lybster and Clyth Halsary Fund

Funded by ScottishPower Renewables Halsary Windfarm

Grant Application

Do you need up to £5,000 to support your project?

This form helps Latheron, Lybster and Clyth Halsary Fund understand more about your proposed project and determine whether it is eligible for funding.

The fund criteria and the project appraisal and approval process are explained in the Latheron, Lybster and Clyth Halsary Fund Guidance. Please ensure that you read the guidance before filling in this form.

It will save time if you provide **all** relevant details and documents requested, otherwise there could be delays in processing your application.

It is easier to assess your application if all relevant information is provided within this document. If you do need to provide further information in support of your application separately, please make sure that this is clearly stated on your application form (e.g. 'see attached 'name of document') or this may not be taken into account.

If you have any queries on the application form, please email office@cvg.org.uk or call Angus on 07789988857

Applications will be acknowledged within two weeks of receipt and decisions will be notified within two weeks of a panel meeting. Application deadlines and panel meeting dates will be published on the webpage.

Who Can Apply?

Any constituted local community, voluntary or non-profit organisation delivering benefit to residents of Latheron, Lybster & Clyth area can apply from £200 up to £5,000 to support their project. Each applicant can apply for a grant three times per year.

What will Latheron, Lybster and Clyth Fund support?

Caithness Community Fund will support community-led activities that support the rural regeneration and sustainability of communities in the Community Council area. These activities would typically relate to community facilities, skills and employment, community or local events, sport and recreation, environmental improvements, youth and education, heritage and/or net zero/emissions reduction initiatives. Awards can support a wide range of costs and activities including running costs. Groups seeking to undertake capital projects in respect of land or assets (e.g. village halls, community spaces) must either own the property, or have a minimum twenty-five-year lease.

What will the Fund not support?

- Religious purposes (where one religious group would benefit over another or the promotion or activities of any religious group). Where a religious building (Church, Church Hall etc) is a community resource and the application is for the improvement of the community hub which would benefit the whole community, this would be acceptable.
- Political purposes (applications which promote political views or the activities of political groups cannot be supported);
- Entertainment or hospitality purposes (where funds would be used to offer a gift, hospitality or entertainment with the intention of achieving an advantage over others);
- Funding cannot be awarded to be spent at the discretion of a person or legal entity;
- Any purpose which is averse to ScottishPower Renewables, its parent company or group companies, windfarms, renewable energy industry or the electricity industry;
- Investment in any windfarm or windfarm site which does not belong to Scottish Power Renewables;
- The funding or replacement of a service which is provided by, or is the legal responsibility of, the local authority or other public authority or a statutory responsibility;
- Projects which cannot demonstrate a significant benefit to the local community;
- Funding for the repayment of loans or debts or applications to the Fund for loans;

Section One: Organisation Details

1: Full name and type of organisation:

2: Contact name and role in organisation:

3: What are the main activities of your organisation/what service do you provide?

4: If applicable, what's your organisation charity number or registered company number?

5: Telephone number
