Bring all equipment needed to play (glove, bat, helmet, cleats, sneakers, batting gloves, etc.) Catchers should bring catching gear.

### OTHER ITEMS TO BRING:

Please pack a lunch, snacks, a refillable water bottle, sunscreen, bug spray, and a hat each day. We will have a water cooler for refills and some extra snacks available on hand in case the players run out. Please avoid peanut products to be respectful of allergies.

### GROUPS:

We will group kids based on age & ability. Groups will change daily due to specific instruction (pitchers & catchers). We are focused on working with each athlete. With multiple instructors on site, there will be plenty of 1-1 attention and opportunities to change groups.
