Ride Leader: Brendan (Wolfman)

Logan riders: Wolfman, Preshus, IanK, Water Boy , Slide & HAL.

Brisbane West Riders: Daz, Andrew, Kerry, Marita & Pocket

A chilly start to the morning with 5 bikes departing from Maccas Springwood to join up with a few others from Brisbane West Branch who were joining us for the day.

We had the first roll of the 3 dice at Goodna before heading off to Fernvale for Smoko and our second roll of the dice.

After a refreshment stop we made our way to the Girls Coffee shop at Marburg where we had our third roll.

Fourth roll was at the Zoo, and the winner was declared – Ian won with a score of 72...and was duly presented with a BP Fuel Voucher.

We arrived at the Warwick Branch grounds at around 1.30pm and had a nice lunch.

Under direction from Ian (Foggy) Winter from Lockyer, some of us threw our \$2 coins at a bottle of Jack Daniels that Daz had donated to see if we could get our coin the closest and walk away with the spoils, but unfortunately, not to be.

There was representation from all SEQ Clubs and it was great to meet up with so many familiar faces.

The group headed for home around 3pm with only Lea staying overnight.

Ian K is presented with his prize for winning the dice roll
