THE HOW...

Mandy Groce "11

ministry-to-children.com

Church budgets are tight. That's why our fresh digital curriculum is half the cost of stale printed material. Even when finances are limited, your teaching can make an eternal difference.

About Our Ministry

The Sunday School Store opened its virtual doors in April 2020 and has become the fastest growing resource provider for children's ministry. Our powerful new curriculum is making a difference in thousands of churches who value Biblical faithfulness and good stewardship of ministry budgets.
