

Dear Mr. Triplett,

Thank you for your email.

We apologize for the late notice, but we would like to confirm that your payment was received on June 19th.

Thank you very much for your payment.

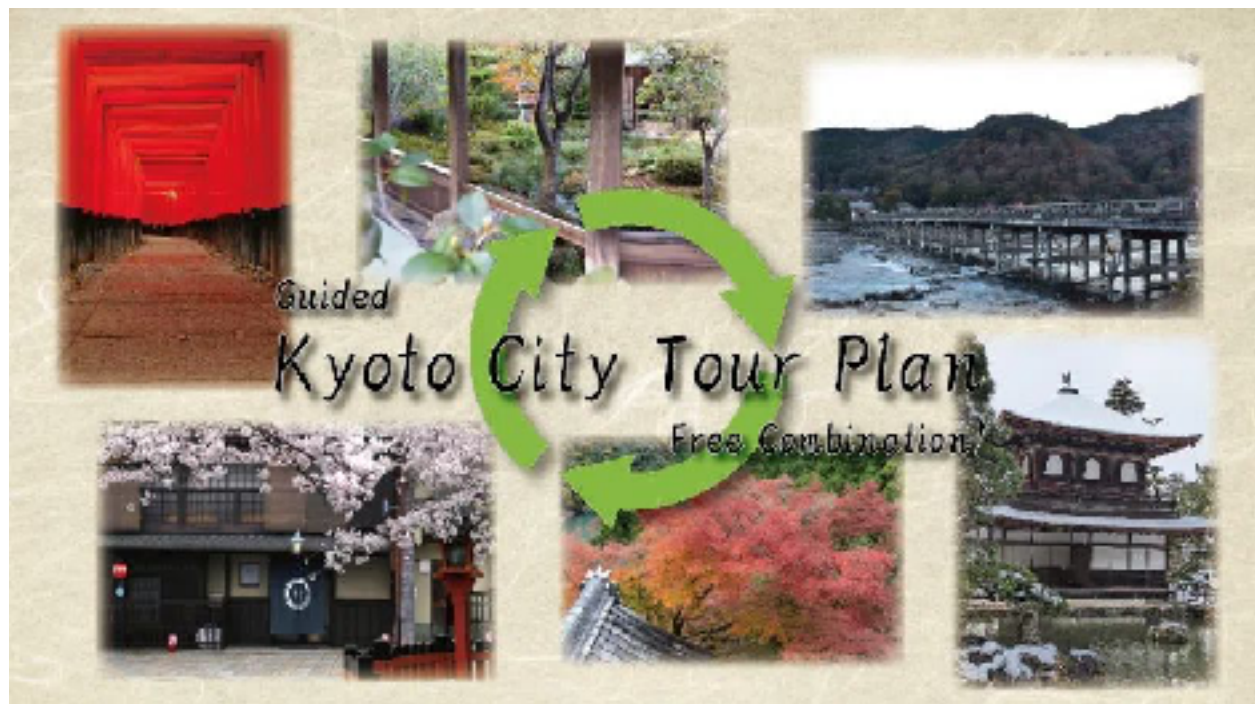

Regarding your itinerary and starting time, as we mentioned in our previous email, the following five spots are popular for first-time visitors in Kyoto.

- Kinkakuji Temple: Famous for its stunning Golden Pavilion
- Kiyomizu-dera Temple: Known for its long history and beautiful waterfall
- Arashiyama Area: Famous for the bamboo forest and historic bridge
- Fushimi Inari Shrine: Renowned for thousands of red Torii gates
- Nijo Castle: Noted for its beautiful architecture and historical significance

If you would like to avoid the crowds, we recommend starting the tour at around 8:00 a.m.

We are completely flexible with the itinerary, so if you'd like to change or add any spots, please feel free to let us know - even on the day of the tour, directly to the guide is fine.

Best regards,
