

Happy Holidays members,

This transition team is looking forward to great 2026 season and hope you enjoy the courses scheduled. Most of the dates will continue to be the third Thursday of the month except for March. Los Serranos was overseeding so that will be a March 12 tourney. I will send an email with the schedule and fees in a few days.

Our goal is keep the tourneys running as smooth as prior years with a balance of speed of play and questions when it comes to penalties. So there is no confusion, If your tee shot goes out of bounds or in an area where your ball is lost, drop your next ball in the fairway closest to where the ball crossed out of bounds or into the hazard and your next shot is your 4th. If you find your ball in a hazard and deem it unplayable, take a drop and your next shot is your third.

Theres's always discussions about giving short putts to your partners in your foursome, I don't want to police that discussion, i'll leave that up to your foursome as we all know we'd like to protect the field so my humble opinion is a 2 footer or closer is appropriate. If someone disagrees, manage your foursome as you prefer.

We have created a new email BSGHgolf@gmail.com which is where you will receive most of your emails from now. We created a new account and we are now taking Zelle and Venmo. If you still prefer to mail checks, you can send them to 5756 Via Barcelona, La Verne, Ca 91750

Zelle
Bsghgolf@gmail.com
626 665 8373 (also my cell if you dont have it)

Venmo
