ADOPTED

RESOLUTION 2014-151

Authorize License Agreement - Exelis

WHEREAS, the Town has been utilizing an aircraft tracking system for the past seven (7) years to monitor flight tracks as a part of the Town's voluntary noise abatement program; and

WHEREAS, the AirScene system, now known as Symphony EnvironmentalVue, tracks arriving and departing aircraft and archives flight data for a three year period, and such data is useful in developing airport management procedures; and

WHEREAS, the services provided by Symphony are a valuable resource essential to the continued efforts of the Town to educate airport users and achieve compliance with the Town's voluntary noise abatement procedures; now, therefore, be it

RESOLVED, that the Town Board hereby authorizes the Supervisor to enter into a renewal license agreement with Exelis for AirScene.com product hosting and support for the term February 1, 2014 through January 31, 2015; and be it further

RESOLVED, that such Agreement shall be at a cost of \$106,741.00, paid quarterly from the appropriate Airport Budget Account.

FINANCIAL IMPACT:

\$106,741 to airport budget
