Notice of Public Hearing to Consider a Local Law Amending Chapter 75 (Airport) of the Town Code Regulating Nighttime Operation of Aircraft at East Hampton Airport

BE IT HEREBY RESOLVED, that the Town Board hereby directs that a public hearing shall be held on March 5, 2015, at 4:30 p.m., or as soon after as can be heard, at LTV Studios, located at 75 Industrial Road, Wainscott, New York, to hear any and all persons either for or against a proposed local law entitled: "A LOCAL LAW amending Chapter 75 (Airport) of the Town Code regulating nighttime operation of aircraft at East Hampton Airport" which provides as follows:

LOCAL LAW NO. _____ of 2015

Intro. #2 of 2015

A LOCAL LAW amending Chapter 75 (Airport) of the Town Code regulating nighttime operation of aircraft at East Hampton Airport.

BE IT ENACTED by the Town Board of the Town of East Hampton as follows:

SECTION 1. Legislative Intent.

In the past three decades, the residents of the Town of East Hampton have experienced a significant increase in noisy aircraft traffic at the East Hampton Airport. By its extensive complaints to the Town Board and to other governmental entities, the public has made clear, and this Town Board recognizes, the negative impact that this aircraft noise has made to the health and welfare of its citizenry, to wildlife and their habitat, as well as to the peace, quiet, and repose of the region. Aircraft noise has substantially diminished the quiet enjoyment of homes and properties and compromised the pleasures of the woodlands, beaches, fields, and preserved lands that define our community and sense of place.

East Hampton is an established resort community whose entire economy is intrinsically tied to the use and enjoyment of its natural and scenic environment, including its world renowned ocean beaches, wetlands, shorelines, harbors, bays, woodlands, and historic hamlets. Visitors and residents alike enjoy East Hampton's unique scenic beauty and the Town has made significant efforts to preserve the natural environs of the Town, spending a total of \$229,431,502 of Community Preservation Funds to preserve approximately 1,924 acres since 1998.

The Town's Comprehensive Plan has outlined the vital connection between preserving the natural scenic beauty and enjoyment of its community and the Town's economy, stating in its vision statement the goal to

"[t]ake forceful measures to protect and restore the environment, particularly groundwater. Reduce the impacts of human habitation on groundwater, surface water, wetlands,

dunes biodiversity, ecosystems, scenic resources, air quality, the night sky, noise and energy consumption.”

The 2007 Airport Master Plan Report that then became the basis for the adopted 2010 Airport Master Plan states, at II-73:

“The East Hampton Airport is owned, maintained and operated for the benefit of the Town and its residents. The airport continues to be classified as a General Aviation Airport under federal criteria. Its primary role is the accommodation of light aircraft traffic. Aircraft operating at greater weights will be accommodated on condition [sic] without unjust discrimination. The airport is also managed with the objective of providing emergency access and facilitation of all other public and community responsibilities. The size and operation of the airport takes into consideration the needs of East Hampton and Southampton residents for protection from excessive noise disturbance and adverse environmental impacts.”

“Control of noise and adverse environmental impacts at the airport is consistent with current Town goals for improved quality of life and land and water conservation. These goals recognize that protecting the environment is essential for improving the Town’s seasonal and year round economy. These controls are achieved through reasonable, non arbitrary and non discriminatory management practices. These may limit the maximum size of aircraft to be accommodated, regulate excessive peak demand during the summer season and otherwise adjust use patterns such as for helicopter access to minimize community disturbances.”

In an effort to address the impacts of aircraft noise, the Town Board undertook an extensive analysis of the citizenry’s complaints, and of the aircraft traffic itself, by the Town’s aviation consultants and noise engineers, the results of which have only confirmed the seriousness of the community’s noise disturbance. Of 24,000 airport noise complaints logged last year, the latest noise analysis discloses that they are overwhelmingly attributable to helicopters and jets, the noisiest types. Noise complaints at East Hampton Airport far exceed the level of complaints at major airports around the country. This is surely due, not least, to the incongruity of jet and helicopter noise in what is otherwise a very quiet, exurban and rural environment.

Specifically, noise from aircraft operating at the East Hampton Airport disturbs many residents of the East End of Long Island. Disturbance by all types of aircraft is most significant in the evening, nighttime, and early morning hours. Myriad professional studies from airports throughout the world have confirmed what the residents of East Hampton know from personal experience: nighttime aircraft noise is more disturbing, more annoying, can disrupt normal sleep patterns, and, generally, has a particularly serious adverse effect on people’s lives.

In its capacity as proprietor of the East Hampton Airport, the Town Board has a public policy responsibility to protect residents from the adverse effects of aircraft noise. It has developed a set of restrictions on the use of East Hampton Airport that are reasonable, non-arbitrary, and non-discriminatory. These restrictions address the problems of aircraft noise that are unique to the Town and neighboring communities while preserving for the community the benefits of aviation.

The Town Board recognizes the value of the East Hampton Airport to the community and does not want to impose any greater restriction than is necessary to achieve the Town's objectives.

To that end, the Town Board recognizes the importance of addressing nighttime noise problems, during sleeping hours when there is a heightened expectation of quiet, by imposing a curfew for nighttime hours. The legislation is intended to restrict aircraft operations during the most sensitive times of the day.

By enacting this legislation, the Town Board seeks to achieve immediate, substantial nighttime noise relief for residents and visitors, maintain the intended and traditional use of the East Hampton Airport by recreational aircraft, and continue sufficient air traffic to maintain a financially self-sustaining Airport.

The Town Board is committed to balancing the need to address the impact of the aircraft noise on the Town's environment with the equally important need to maintain an economically viable and safe airport for East Hampton.

The proposed legislation expressly excludes from its application aircraft operated by any federal, state or local government, any emergency services, evacuation services, public or private, and any operation by an aircraft in an emergency. The airport will remain open to such operations at all times without restriction or charge.

These restrictions are adopted on an interim basis. The effects of the legislation on the operations at the Airport for the period May 1 to October 31, 2015 shall be evaluated to determine whether the restrictions should be made permanent or modified. The Town Board will seek public comment throughout the Season and immediately following the Season to determine the success and/or failure of the use restrictions and whether they function the way they were intended or need to be adjusted.

SECTION 2. Amendment

The Code of the Town of East Hampton is hereby amended by adding the following new section to Chapter 75 (Airport).

CHAPTER 75, AIRPORT.

§ 75-38 AIRPORT USE RESTRICTIONS:

A. Definitions.

(1) - (2) - *Reserved*

(3) "Individual Aircraft" shall mean an aircraft, of whatever type, with a distinct registration number ("N number" if such registration is issued by the United States Government).

(4) - (5) - *Reserved*

(6) "Use of the Airport" shall mean either one arrival (landing) at, or one departure (takeoff) from, the Airport, shall not include any repositioning of any aircraft on the Airport or any aborted takeoff or landing, but shall include touch-and-go operations that result in use of an Airport runway.

B. **Nighttime Operations.** Use of the Airport is prohibited between the hours of 11:00 pm and 7:00 am (local time).

C. [*Reserved*]

D. [*Reserved*]

E. **Exemptions.** The restrictions of this section 75-38 shall not apply to any aircraft operational emergency, any medical emergency operation, whether by public or private aircraft, or to any operation by a government-owned aircraft, including, without limitation, police, emergency services, and military operations. In the case of an aircraft emergency or medical emergency operation, the operator shall submit a sworn statement to the Airport Manager within 24 hours of such operation attesting to the nature of the emergency and reason for the operation.

§ 75-39 PENALTIES:

A. Section 75-34 shall not apply to violations of Section 75-38 and this Section 75-39 shall apply for all violations of Section 75-38. For the purpose of conferring jurisdiction upon courts and judicial officers in general, violations of Section 75-38 shall be deemed misdemeanors, and, for such purpose only, all provisions of law relating to misdemeanors shall apply to such violations.

B. Any Use of the Airport by an Individual Aircraft in violation of Section 75-38 shall be punishable by a fine assessed against any person, organization, corporation, group or other entity which holds an ownership interest in such aircraft, as follows:

(1) For the first violation by an Individual Aircraft, a fine of not more than \$1,000.

(2) For the second violation by an Individual Aircraft, a fine of not more than \$4,000.

(3) For the third violation by an Individual Aircraft, a fine of not more than \$10,000.

(4) For the fourth violation by an Individual Aircraft, a prohibition on any Use of the Airport by the Individual Aircraft involved in such violation for a period of not more than two years.

C. Each Use of the Airport by an Individual Aircraft in violation of Section 75-38 shall constitute a separate offense.

D. Should any person, organization, corporation, group or other entity be found in violation of the provisions of Section 75-38 within five years of a previous violation of this chapter, the minimum additional fine shall be not less than \$2000.

E. In addition to the above penalties, the Town may also maintain an action or proceeding in the name of the Town in a court of competent jurisdiction to compel compliance with or to restrain by injunction the violation Section 75-38 by any person, organization, corporation, group or other entity which holds an ownership interest in the Individual Aircraft.

(1) If a finding is made by a court of competent jurisdiction that the defendants or any of them has caused, permitted or allowed a violation of Section 75-38, a penalty to be jointly and severally included in the judgment may be awarded at the discretion of the court in an amount not to exceed \$10,000.00 for each violation that the defendants or any one of them individually caused, permitted or allowed.

SECTION 3. Authority

The Town Board is authorized to establish and promulgate rules and regulations regarding use of the East Hampton Airport pursuant to Municipal Home Rule Law §10(1)(ii)(a)(11) and (12) and Town Law §130 and pursuant to its powers as the proprietor of East Hampton Airport under federal statutory and case law.

SECTION 4. Severability.

If any section or subdivision, paragraph, clause or phrase of this law shall be adjudged invalid, unenforceable, or unconstitutional by any order or judgment of a court of competent jurisdiction, or pursuant to any order of any administrative agency having jurisdiction, whether such judgment or order is temporary or permanent, such judgment or order shall not affect the validity of this law as a whole or any part thereof other than the part or provision so adjudged to be invalid or unconstitutional.

SECTION 5. Effective Date.

This local law shall take effect upon filing with the Secretary of State.

AND BE IT FURTHER RESOLVED, that the Town Clerk is hereby authorized to publish the following Notice of Public Hearing:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that a public hearing will be held on March 5, 2015, at 4:30 p.m., or as soon after as can be heard, at LTV Studios, located at 75 Industrial Road, Wainscott, New York, to hear any and all persons either for or against a proposed local law entitled: "A LOCAL LAW amending Chapter 75 (Airport) of the Town Code regulating nighttime operation of aircraft at East Hampton Airport"

SUMMARY OF LOCAL LAW

The proposed law would regulate the times of day when aircraft can operate at the East Hampton Airport.
