Hon. Charles E. Schumer
U.S. Senator for New York
145 Pine Lawn Road, #300
Melville, NY 11747

Dear Senator Schumer:

I seek your support in the United States Senate of the Zeldin Amendment to the Transportation Appropriations Bill, which would prevent the Federal Aviation Administration from taking negative action against the Town of East Hampton with respect to aircraft noise restrictions.

The Town's efforts to gain local control of our municipally owned East Hampton Airport and reasonably reduce aircraft noise affecting residents across eastern Long Island have reached a critical moment, with our local laws being challenged before the Federal Aviation Administration.

A copy of this amendment—as well as a pair of related press releases—accompanies this letter. The Town Board of East Hampton appreciates Congressman Zeldin's work in securing the House's adoption of his amendment this week, and we now call upon you to support the adoption of this amendment in the Senate.

Sincerely,

Larry Cantwell
Supervisor, Town of East Hampton
