Authorize Mobile Payment for Parking Program for East Hampton Airport

WHEREAS, the Town of East Hampton solicited bids for the provision of two (2) electronic parking meters at the Town Airport under bid #EH16-008 and Pure Parking Technologies was awarded the bid for the supply of the parking meters; and

WHEREAS, the parking meters can provide the option for parking customers to pay for parking using a mobile application or mobile web application, allowing use of smartphones and similar devices for payment of parking charges; and

WHEREAS, the app will include the ability for parking customers to extend parking, by way of the use of an application ("app") through PassportParking, Inc. ("Passport"); and

WHEREAS, the Town wishes to provide parking customers with the ability to use a mobile application or mobile web application to pay parking charges and to extend parking as needed, now, therefore, be it

RESOLVED, that the Town Board hereby authorizes the Supervisor to enter into a Software License and Service Agreement with Passport to provide a mobile payment for parking program which allows parking customers to pay for parking using a smartphone or mobile web application; and be it further

RESOLVED, that such agreement shall provide for payment to Passport of mobile payment for parking service and license fees of \$0.25 per transaction, together with such other optional services as the Town may hereafter require, including costs for replacement stickers and signage, and optional marketing services as the Town Board may hereafter authorize; and be it further

RESOLVED, that the costs for the above services shall be payable from budget account SX5610-52011.
