

BIG BEE BEE LLC

VARIANCE INFORMATION SHEET

We are a small shop with a one-man operation for lowers. We cater to smaller shops and smaller orders (one of our customers has done 26 lowers over the course of 8 months).

What we can provide:

- No minimum orders
- Flexible to you and your customers needs
- Able to make one-off orders with no price increase
- Lowers applied with cerakote color of your choice
- All lowers fitted with mils-pec parts to ensure fit and function prior to shipping
- All lowers currently not cut for FA (no low shelf)
- Any mistakes or issues will be handled at no additional costs (we even cover shipping back)
- All our lowers are ordered in as 80% then finished (we do not make them from 0%)

What we need from you:

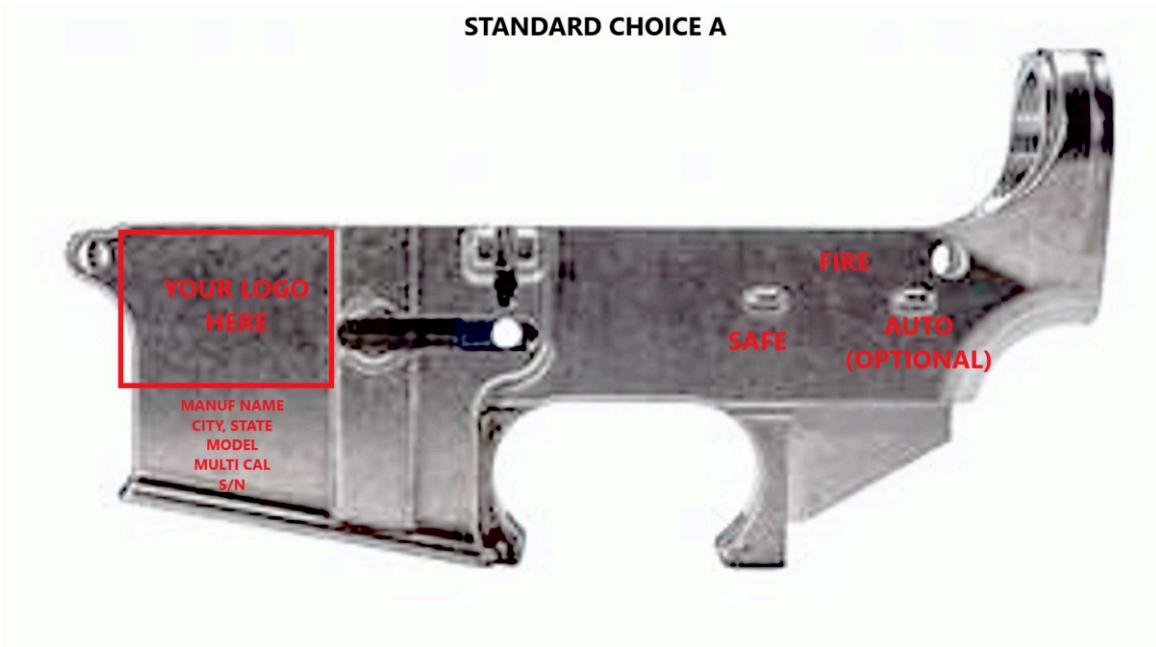

- FFL
- Signed Variance form (we will complete and submit, you sign and send back)
- Your logo (or design that you want standard)
- Any specifics for markings (or choose one of our standard templates)
