**VOLUNTEERS!
NEEDED!**

IN HONOR OF CHAIRMAN, FAY MILLER

Last month, Fay Miller was honored by the City of Euclid for her dedication in the founding and support of the Euclid Animal Shelter. She was one of the original people who fought for the opening of our shelter, even going door-to-door to collect contributions for the building of our facility. The contributions they received were then matched by the City. Because of her selflessness and hard work, the shelter is now named the "D. Fay Miller Animal Shelter"! All of us who volunteer at the shelter are proud of her and thank her for her vision and many contributions over the years. What a great legacy!

Looking forward to the year ahead, please consider supporting us by attending the following events.

- ▶ **Car Wash - June 15, 2024**
Euclid Animal Shelter Parking Lot
10:00am – 2:00pm
- ▶ **Bark-B-Q Dinner - June 28, 2024**

(Note: the deadline for purchasing tickets is 06/21/24)
- ▶ **Purse Auction - September 15, 2024**

Please consider becoming a Euclid Pet Pals member or renewing your membership for 2024. The membership dues are used to pay for the spaying or neutering of the animals, providing medical care and purchasing supplies. When an animal is adopted, all fees go to the city, so we count on our membership and contributions to meet our expenses. You can help out by sending in the membership form found with this newsletter.

From all of us at the shelter we thank you for your continued support and wish you all the best in the year ahead.

WAYS A PET CAN SAVE YOUR LIFE.

Animal companions can be a vital component of a happy, joyous life at any age. But as we grow in years, we may forget how immensely having the unconditional love of an animal friend can impact our lives. Believe it or not, having a pet can actually add years to your life.

1. Stress Relief

Emerging science now indicates that having a pet can potentially increase your life span. People with pets have lower triglyceride and cholesterol levels than those without, decreasing the risk of cardiac disease. Heart attack survivors with dogs can live longer than those without. People over 65 even make 1/3 fewer visits to the doctor when they have pets. Also, it's not just quantity of life; animals add to the quality of life as well.

2. Nurturing and Learning

Pet companionship means there is growth for both of you. You and your friends will both learn new skills, and learning helps your brain stay sharp. Nurturing a living creature also supports a positive mood. Dog owners are less likely to suffer from depression, and playing with a dog or cat can create a state of calm and relaxation by increasing serotonin and dopamine levels. Increased exercise from walking a dog or active play also releases endorphins and other chemicals that improve mood.

3. Service Animals and Companions

Animals can be attuned to medical emergencies and sound the alarm when an internal crisis is occurring that you cannot sense. Dogs have been known to sense the biological changes that occur in us when cardiac arrest, stroke and internal bleeding occur. Some dogs have even been trained to sniff out cancer cells and alert at a recurrence.

4. Important job

To stay happy and healthy, people need things to do every day that make them feel special and important. We also need to socialize. A pet will keep you on a schedule, give you doable responsibilities, and a sense of satisfaction when both your needs are fulfilled. Walking a dog or joining an animal enthusiast group will help you meet people and socialize.

SPECIAL DONATIONS

We have four special funds described below. If you want to support a specific fund, please note it on your check.

MILLIE'S FUND

Pay for medical/surgical expenses above & beyond usual needs, as in emergencies & complicated medical procedures.

FRED'S FUND

Pays for testing for feline leukemia and FIV for every cat before it is adopted.

BENTLEY TRAXX HAPPY HEARTS FUND

Pays for heartworm testing.

FIND US ON FACEBOOK

Euclid Pet Pals has its own page. Our page is the best place to see the latest animals up for adoption. Volunteer Kyrie Brickman does an excellent job of posting videos of the animals and information about up-coming events. You do not have to be a Facebook member to view our page. Just enter [facebook.com/euclidpetpals](https://www.facebook.com/euclidpetpals) in your browser.

NEED ADULT VOLUNTEERS

There are many kinds of jobs to do and we need adults who can help clean dog kennels or cat rooms in the mornings. We also need adults from Noon to 4p.m. who can greet visitors and escort them to see the cats and dogs available for adoption. Consider volunteering with an evening crew who come in to make sure every pet has food, water and a clean environment. Volunteer applications are available at the shelter or download it from our website www.euclidpetpals.net.
