GREETINGS FROM EUCLID PET PALS BOARD

The shelter is in the process of some new renovations and much needed updating. This will hopefully include more flexibility to use our space as needed to best help the animals in our care and find homes for them.

We are pleased to have Rita Citino as our new Animal Control Officer and wish her all the best in this new position.

Our thanks to all of you who support our fund raising events. Your continued support and participation is deeply appreciated and we are putting all your donations to good use. Also, please consider becoming and/or renewing your EPP Membership for 2026. A form is enclosed.

NEED ADULT VOLUNTEERS

There are many kinds of jobs to do and we need adults who can help clean dog kennels or cat rooms in the mornings. We also need adults from Noon to 4p.m. who can greet visitors and escort them to see the cats and dogs available for adoption. Consider volunteering with an evening crew who come in to make sure every pet has food, water and a clean environment. Volunteer applications are available at the shelter or download it from our website www.euclidpetpals.net.

NOTE TO OUR COMMUNITY

PLEASE NOTE: We will be sending another newsletter out soon that will share all of the donations/contributions of our great supporters! Apologies for the delay, but know you are all greatly appreciated.

At Euclid Pet Pals we do our best to meet the needs not only of the companion animals in our community but also the people who need help. In order to better serve and meet the challenges presented in caring for and finding homes for our charges, we would like to ask for your assistance. If you have a good idea for fund raising events, time to volunteer to help with the shelter, or any suggestions for taking care of the many critters we care for, please feel free to contact us with your ideas/contributions. We would welcome you contributions and you may be the one who can make a difference! Thank you in advance for your help.

Ways to protect pets

- **Be extremely cautious when choosing plants to buy and bring inside your home. Some plants can be deadly to your pets.**
- **Keep electrical cords out of reach. Dogs and cats could get shocked if they chew on the cords or could cause a lamp to get knocked over. Try hiding the cord behind furniture or use a cord cover for the safety of your family pet.**
- **Keep all cigarettes away from animals. They can get nicotine poisoning if they chew on the cigarette butts.**
- **Watch your pets around walnuts and macadamia nuts—they can cause weakness, depression, in-coordination and tremors. In addition, the high-fat levels of these nuts may cause pancreatitis in dogs.**
- **Keep your pets away from onions and garlic—they contain sulfides, which are very toxic to animals and can cause the destruction of red blood cells, especially in cats.**
