The White Cane Foundation Mission & Impact

OUR MISSION

- We provide 2 brand new tops, 2 new pairs of pants, 2 pairs of socks and underwear, 1 pair of new tennis shoes, a jacket or coat if needed, and a hygiene kit for each identified student in our Title 1 schools.
- We partner with all 18 Lincoln, NE Community Learning Center (CLC) elementary schools.
- Students can be identified twice per school year because seasons change, and children grow.
- Our volunteers meet with children weekly, in a predetermined area at each school. Each volunteer is assigned to each student to provide a shopping experience complete with a changing tent to try on their clothing items to ensure a proper fit.
- Once children try on their new outfits and emerge to see their reflection staring back at them from a full-length mirror, that is when the smiles and high fives begin. This is when the magic happens!

OUR IMPACT

- We began serving children at Belmont Elementary School in 2019.
- During our **2023-2024 school year**, with 12 schools, we served 1,524 "Bundle of Joy" (BOJ) packages giving out over 3,000 brand new clothing outfits to students in need.
- With a presence in all 18 CLC elementary schools, our **2024-2025 school year** projection will be gifting out approximately 2,500 (BOJ) packages. This translates to 5,000 brand new clothing outfits to our student population and their families in a one-year period.

"We worry about what a child will become tomorrow, yet we forget that they are someone today."
