

## Mount Holyoke College Class of 1965 In Memoriam

### **Pamela Sibener Hollinger**

We recently received notice of the death of Pamela Sibener Hollinger on October 14, 2008. Pamela grew up in Brooklyn, NY. A history major at MHC, Pamela did graduate work at the University of Pennsylvania, earned a master's degree in modern Chinese history at NYU and was a faculty member at the New School for Social Research. Subsequently, she became the Executive Director of the New York Legislative Service, which served as the non-profit research partner for many major law firms in NYC. Pamela remarried later in life and relocated to upstate New York. She and her husband, Charles Hollinger, enjoyed travel and participated in fund-raising events and other activities in their community. Carol Greif Sandler remembers Pamela as a very bright, charming person whose creativity, humor, and originality made her a delightful friend.
