

## Old West Ministries Newsletter

### **2025 has gone with a bang.**

Although Old West Ministries has continued to face challenges with in-person attendance and securing indoor locations since Covid, we are grateful to share that the ministry has remained active and steady. By God's grace, we were able to host several special events this year, including concerts, our Easter Sunrise Service, and our ongoing homeless outreach project, **Marilyn's Blessing Bags**.

This year's Blessing Bags—handmade by caring hearts from all over the country—were filled with blankets, toiletries, handmade knit caps, neck scarves, socks, gloves, and more. **More than 120 bags** were distributed throughout the valley to our homeless communities. To everyone who contributed time, materials, prayer, or support: **thank you**. Your generosity continues to shine the love of Christ in practical, life-touching ways.

Our online community of viewers and members has also been a tremendous blessing. Hearing from friends watching not only across the United States but from around the world encourages us more than you know. Your presence, prayers, and participation have helped keep this ministry moving forward.

As we look toward the New Year, we are believing for positive change and fresh opportunities. We'll be sharing more about what's ahead very soon.

From our hearts to yours, we wish you a **Merry Christmas** and a **prosperous New Year in every way**.

**Remember: Jesus is the Reason... for EVERYTHING!**

**With Our Love and Prayers,**
