

## **Attention Dupree Lakes Residents:**

The Dupree Lakes Community Development District Staff continues to monitor local, state, and federal communications, guidelines, recommendations and advisories regarding COVID-19.

Local cities/counties in our area have mandated local closures of rec programs, libraries facilities, and more. As you are likely aware, Pasco County has closed all government facilities and programs.

Likewise, in an effort to minimize the risk of contracting the virus, and consistent with federal, state, and local guidelines, the District has made the decision to close the pool, pool area, and playground. All recreational programs are suspended effective immediately and until further notice. The District will notify you of any change to operations and we will continue to make decisions based on governmental recommendations, which may have changed rapidly.

While we recognize the disruption is less than ideal, the health and safety of District residents, guests, and on-site staff is of utmost importance. Please continue to monitor the District's website at [Dupreelakescdd.com](http://Dupreelakescdd.com), social media and your e-mail for further updates.

Thank you for your patience and cooperation as we all work together in this unprecedented time.

District Staff
