

Camp Kamassa Endowment Fund

For many children, the summer months mean cookouts, frozen treats, trips and summer camps. But for over 55,000 school-aged kids in Mississippi, summer camps have never been an option due to special needs. Until now. Mississippi's Toughest Kids Foundation (MTKF) is constructing Camp Kamassa, Mississippi's first and only year-round fully handicap-accessible camp facility for children and adults with serious illnesses, physical and mental challenges and other special needs.

"There is no other barrier-free, fully accessible facility like Camp Kamassa in Mississippi," said Mary Kitchens, MTKF founder and executive director. "Our vision is to provide a place where all campers will experience the fun, adventure, educational, and therapeutic benefits of traditional camping experiences regardless of their different abilities."

Located on 426 acres in north Copiah County, everything about Camp Kamassa has been designed and is currently being built for thousands of campers in all 82 Mississippi counties and beyond.

The Camp Kamassa Fund at the Community Foundation for Mississippi was established to support the continued construction and operations of Camp Kamassa. Friends and members of the community are all asked to spread the word about the fund and, if they are able, make a donation.

About the Community Foundation for Mississippi
