About MTK - Camp Kamassa

Mississippi's Toughest Kids Foundation (MTK) is building a year-round, fully accessible camp facility in Central Mississippi where children and adults can have lots of fun, adventure, and enjoy the great outdoors, something not generally available to them because of serious illnesses, disabilities, or other special needs.

Kamassa is a Choctaw word meaning "tough, persevere under difficulties, to not give up" which describes the campers who will attend our camp. Through a partnership with the Department of Defense, we have members of the Air Force, Army, Marines, and Navy building our camp as training for deployment. Construction began in 2018 and will be completed within 2 years.

MTK Camp Kamassa is a 501(c)(3) non-profit organization.
