ABOUT MTK AND CAMP KAMASSA

Mississippi's Toughest Kids Foundation (MTK) is building a year-round, fully accessible camp facility in Mississippi where children and adults can have lots of fun, adventure, and enjoy the great outdoors, something not generally available to them because of serious illnesses, disabilities, or other special needs.

Kamassa is a Choctaw word meaning "tough, persevere under difficulties, to not give up" which describes the campers who will attend our camp. Through a partnership with the Department of Defense, we have members of the Air Force, Army, Marines, and Navy building our camp as training for deployment. Construction began in 2018, and we hope to begin holding camps in the summer of 2025.

REFER A NEW TEAM EARN FREE MULLIGAN PACKAGES

Our tourney grows every year because word of mouth has always been our best marketing tool!

Any registered golfer that refers a four-person team will be rewarded with two mulligan packages (a \$50 value) for each newly referred team. There is NO LIMIT on the number of teams you may refer. To be considered, all golfers on the newly referred team cannot have played in any prior tourney, and any new team that registers must identify below the golfer who referred them. Sorry, but no mulligan packages can be credited if the name of the referring golfer is not listed on the form below.
