A Heartfelt Thank You to All Our Customers and the Community,

After an incredible year of serving you, we have made the difficult decision to close Café 19thirteen Italian Dining. Our final evening of business will be Saturday 31 October 2026.

We are immensely grateful for your loyalty, laughs and the amazing feedback you've shared with us. You've turned our space into a special place of friendship shared over delicious food, creating wonderful memories for you and us.

We look forward to serving you until we close, so please come by, enjoy a meal and say goodbye to the team!

Ciao…

Café 19thirteen will remain open

May we continue to be your bustling meeting spot, situated in the heart of the community where friends and family connect over wholesome café food.

Our Festive Christmas Menu is live and we'll keep you posted about Theme nights, Festive Christmas Dinners in the evening and Sunday lunches.

Visit our website to view our Menus and make a reservation.
