About us

Established in the 80's, our company's dedication to electronic and electrical innovation & customer service has lead us to be one of the largest suppliers of Automatic Battery Chargers, AC/DC Converters, Power Rectifiers, Engine Order Telegraphs (EOT) & AVR's under the brand name of Micrology Energy. All of our products are highly rated by our clients, as they undergone thorough quality assurance and control procedures before each were delivered either by air, shipped or transported by land. We value the trust from our clients and its the quality that matters, not just quantity.

PRODUCT

AUTOMATIC BATTERY CHARGERS

Automatic Battery Chargers IP-SERIES

ip-1220

Input: 240Vac-12Vdc
Current : 20A

ip-2420

Input: 240Vac-24Vdc
Current : 20A

ip-2430

Input: 240Vac-24Vdc
Current : 30A

ip2-2440

Input: 240Vac-24Vdc
Current : 40A

ip-1260

Input : 198-264Vac
Output : 12Vdc 60A

ip-2460

Input : 198-264Vac
Output : 24Vdc 60A

ip-2445

Input: 240Vac-24Vdc
Current : 45A

Automatic Battery Chargers IP-SERIES

ip2-2460

Input: 240Vac-12Vdc
Current : 20A

ip-2470

Input: 240Vac-24Vdc
Current: 70A

ip-2490

Input: 240Vac-12Vdc
Current : 90A

ip-12100

Input : 198-264Vac
Output : 12Vdc 100A

ip-24100

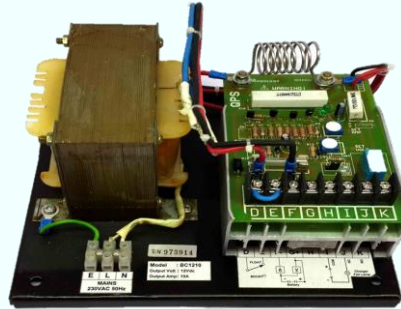

Input : 198-264Vac
Output : 24Vdc 100A

Automatic Battery Chargers BC / CM-SERIES

BC 1205

Input: 240Vac-12Vdc
Current: 5A

BC 1210

Input: 240Vac-12Vdc
Current: 10A

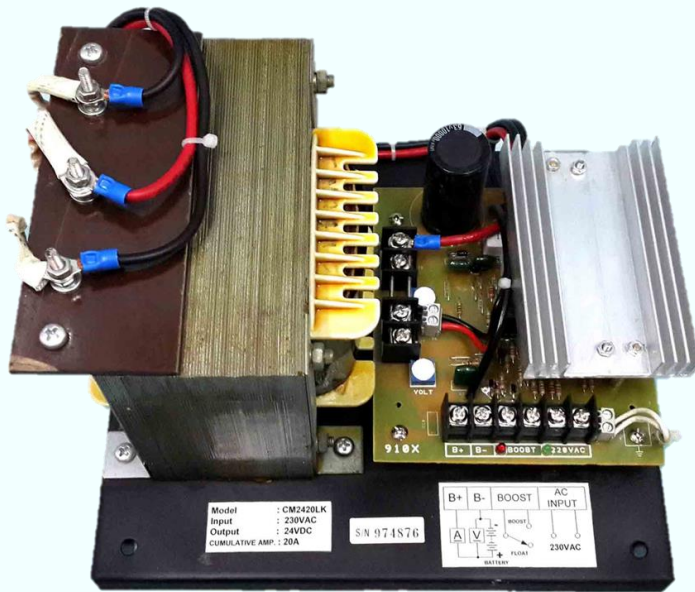

BC 2410

Input: 240Vac-24Vdc
Current: 10A

CM 2420

Input: 240Vac-24Vdc
Current: 20A

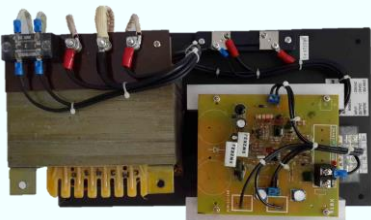

CM 1215

Input: 240Vac-12Vdc
Current: 15A

CM 2415

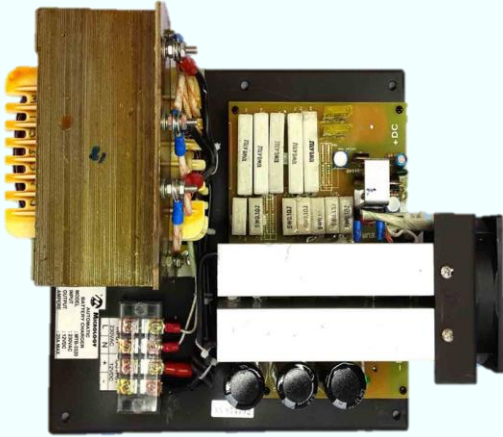

Input: 240Vac-24Vdc
Current: 15A

CM 2430

Input: 240Vac-24Vdc
Current: 30A

Automatic Battery Chargers MT-SERIES & PORTABLE

MTB-3320

Input: 240Vac-12Vdc
Current: 20A

MT-1225

Input: 240Vac-12V / 24V

*Detailed specifications are available online at: <https://ling-ee.com/>

Assembly

A close-up photograph of a ship's compass rose, showing the white face with black markings and the dark metal bezel. The compass is mounted on a wooden surface with horizontal planks. The lighting is warm, highlighting the textures of the wood and the metal.

PRODUCT
ENGINE
ORDER TELEGRAPH

Engine Order Telegraph

DEOT-6806Z

DEOT-6806Z

Digital Engine Order Telegraph – Basic (Single Engine Command)

- For the use of ships and vessels during emergencies
- Comes with an engine room and a bridge panel
- Fit for **single engine** vessels only
- 12 unique commands
- 5 basic interactive functions
- Operational voltage of 24Vdc
- Compact and user-friendly design

DEOT-6806ZWM

Digital Engine Order Telegraph – Basic with additional wall mount

- Additional protective casing for engine room panel on top of DEOT-6806Z (Basic) package
- Inclusive of warning siren and light indicator
- Additional costs applies*

*Detailed specifications are available online at: <https://ling-ee.com/>

Engine Order Telegraph DEOT-6801

DEOT-6801

Digital Engine Order Telegraph – Basic (Double Engine Command)

- For the use of ships and vessels during emergencies
- Comes with an engine room and a bridge panel
- Fit for **double engine** vessels only
- 12 unique commands
- 5 basic interactive functions
- Operational voltage of 24Vdc
- Compact and user-friendly design

DEOT-6801WM

Digital Engine Order Telegraph – Basic with additional wall mount

- Additional protective casing for engine room panel on top of DEOT-6801 (Basic) package
- Inclusive of warning siren and light indicator
- Additional costs applies*

*Detailed specifications are available online at: <https://ling-ee.com/>

Engine Order Telegraph DEOT-6801X

DEOT-6801X

Digital Engine Order Telegraph – Exotic (Double Engine Command)

- For the use of ships and vessels during emergencies
- Comes with an engine room and a bridge panel
- Fit for **double engine** vessels only
- 12 unique commands for Port and Starboard engines
- 5 basic interactive functions
- Operational voltage of 24-30Vdc
- Regulated output voltage and better performance
- Compact and user-friendly design

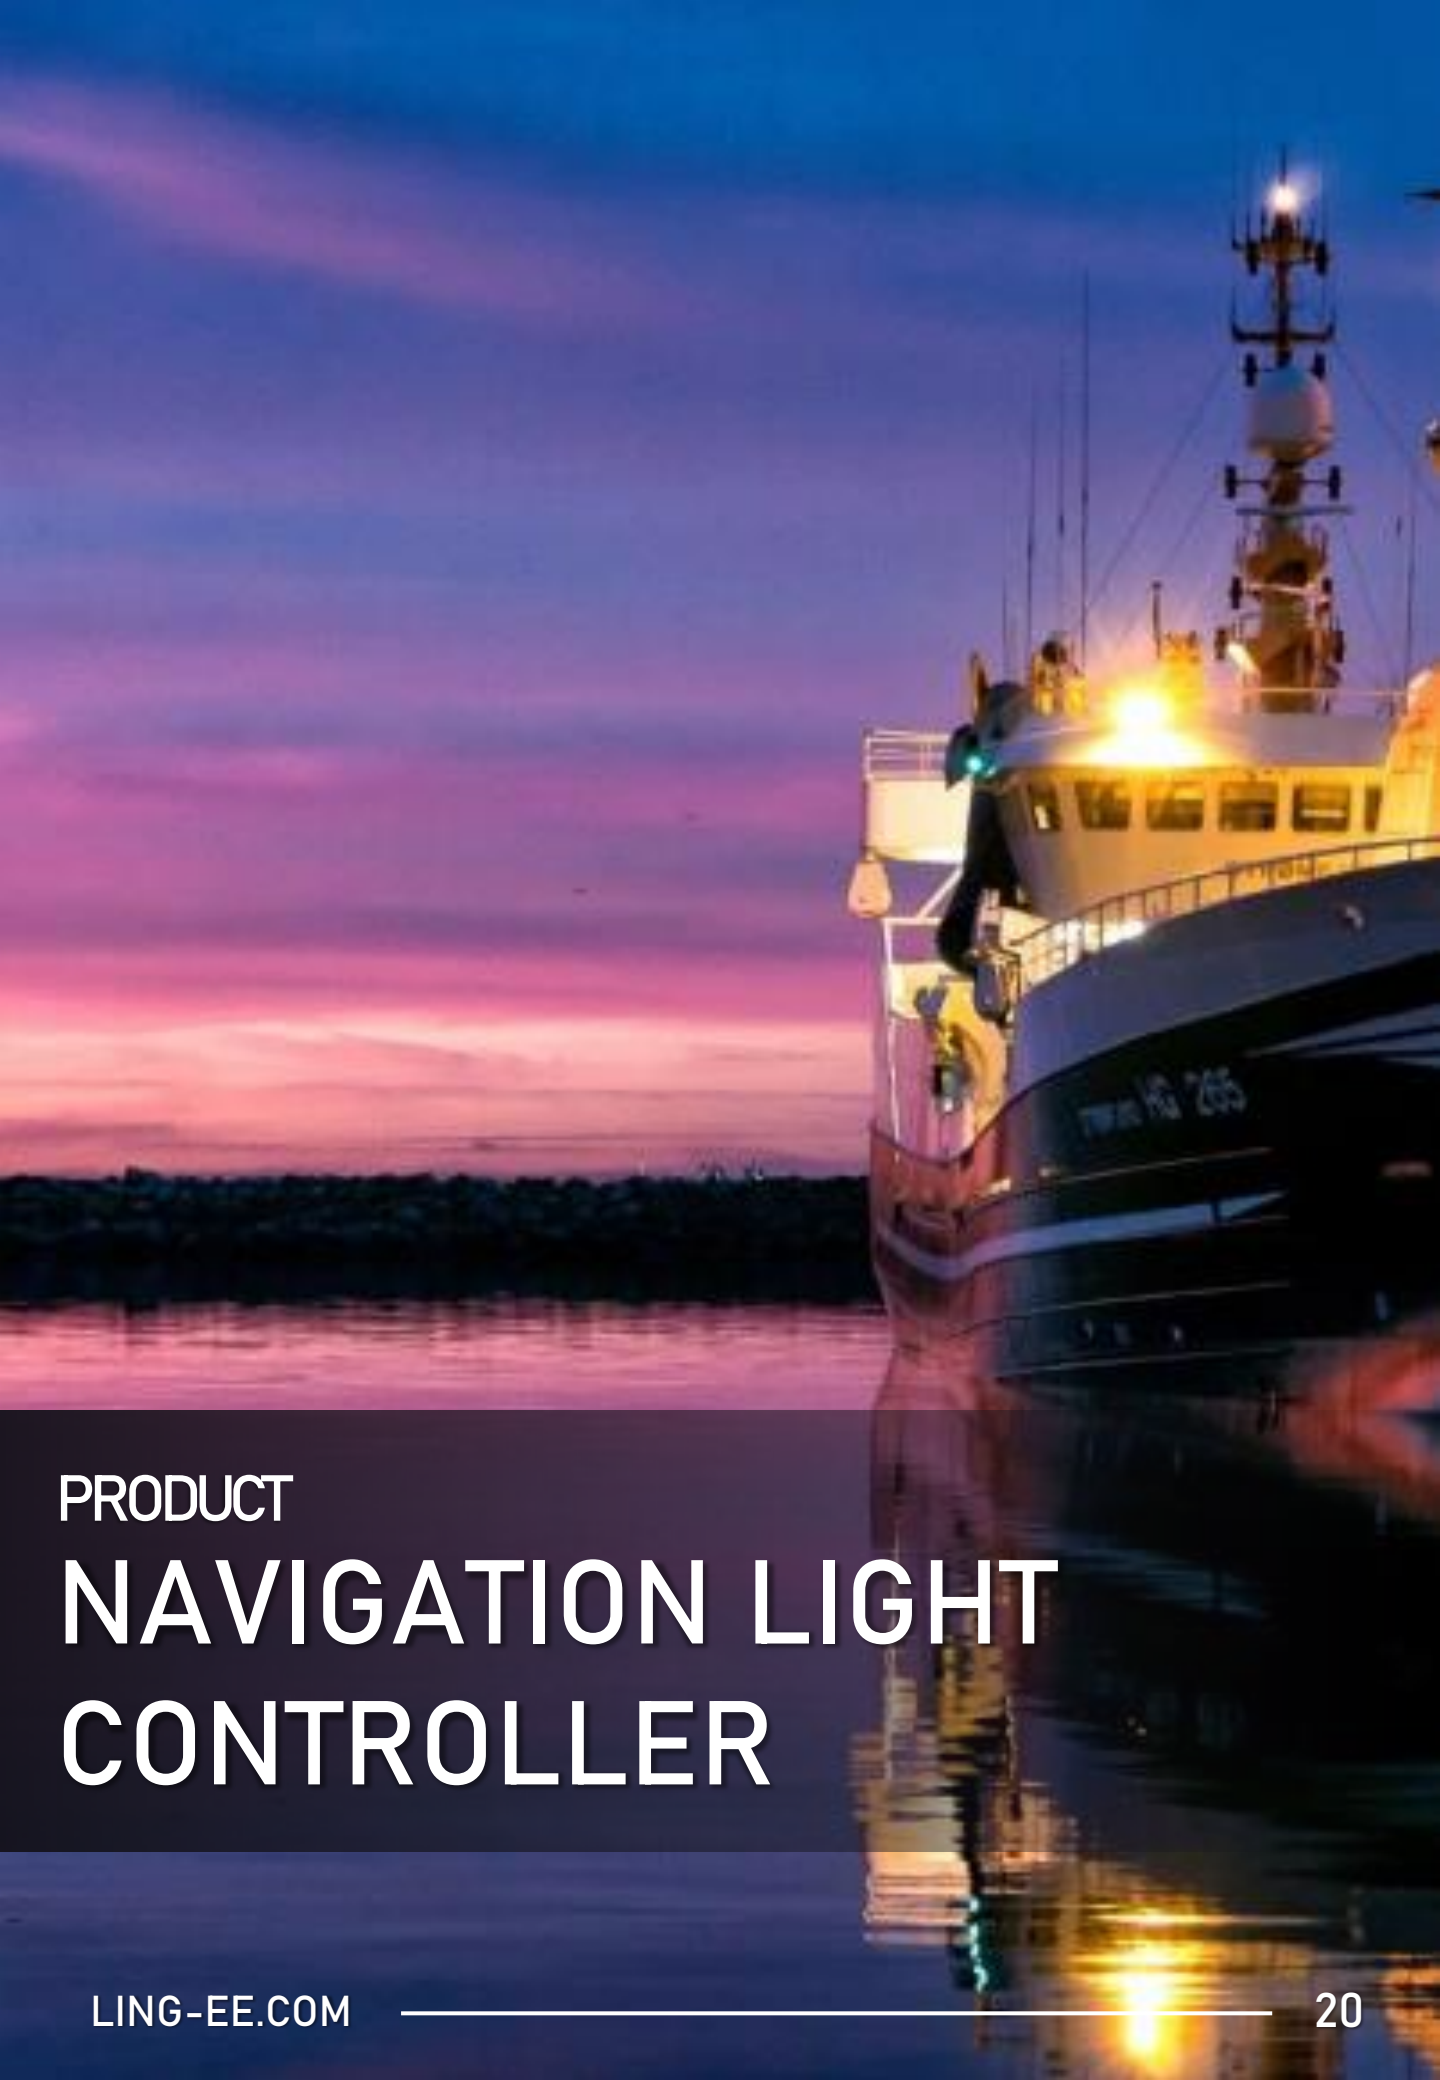

DEOT-6801XWMM

Digital Engine Order Telegraph – Exotic with additional wall mount

- Additional protective casing for engine room panel on top of DEOT-6801X (Exotic) package
- Inclusive of warning siren and light indicator
- Additional costs applies*

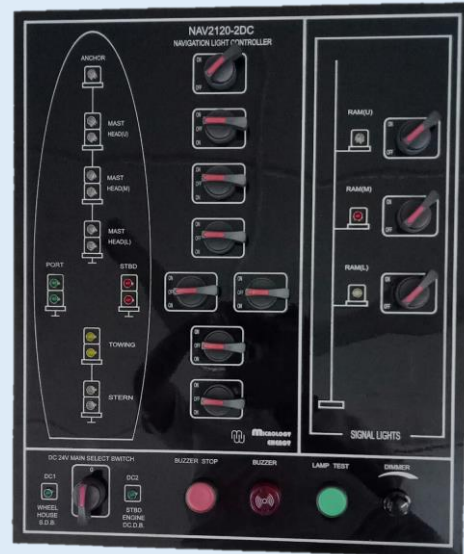

*Detailed specifications are available online at: <https://ling-ee.com/>

PRODUCT

NAVIGATION LIGHT CONTROLLER

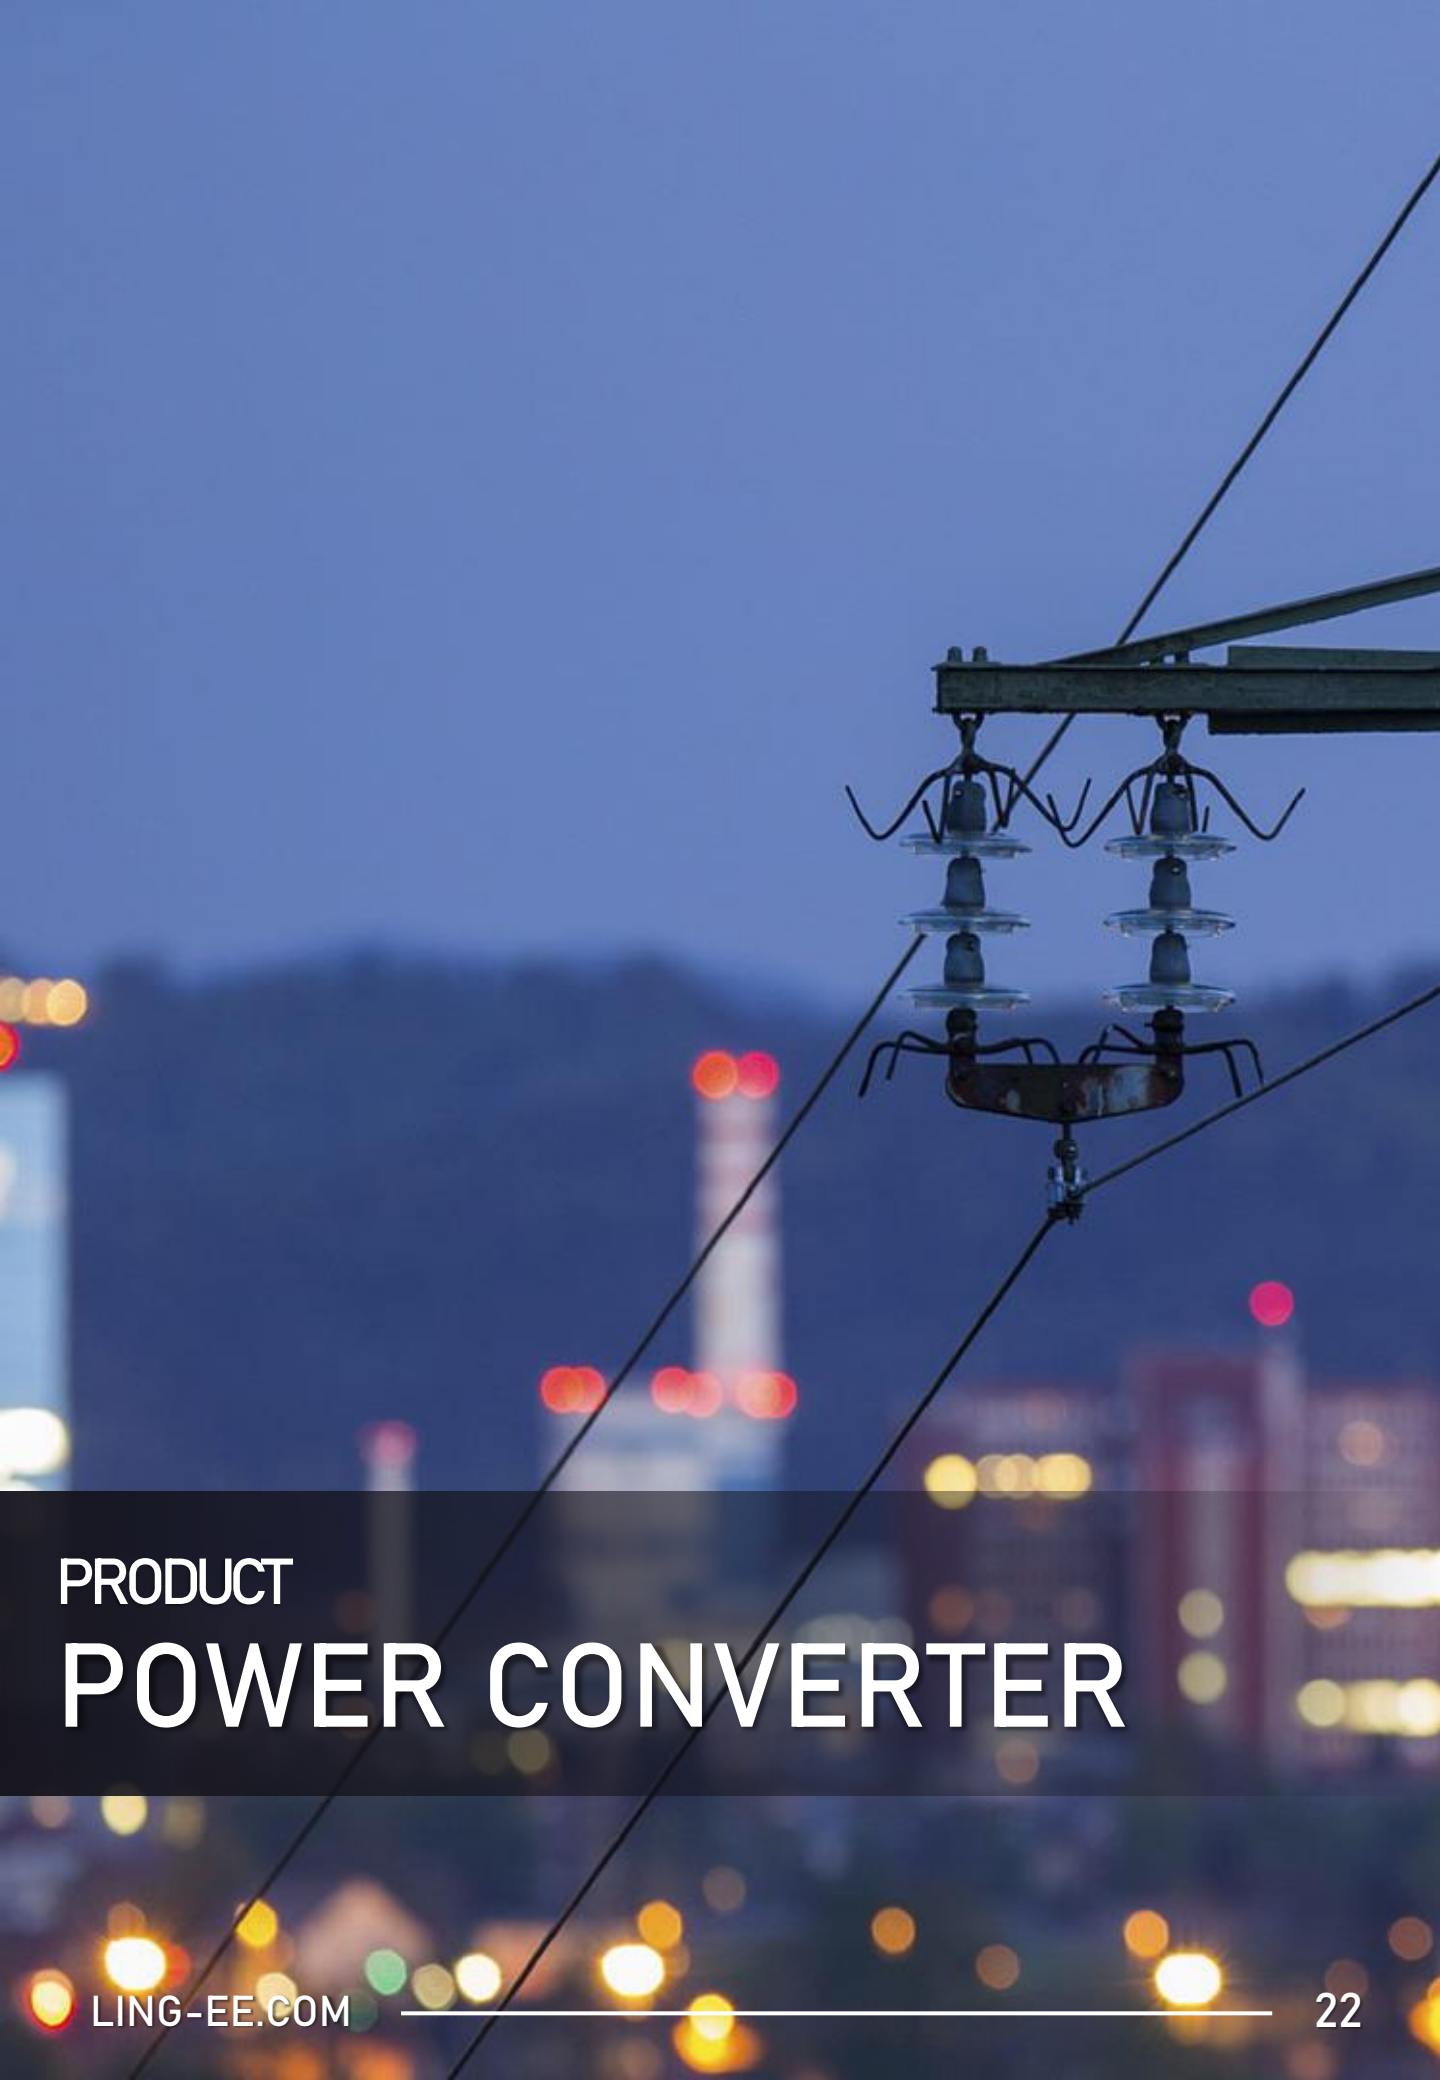

Navigation Light Controller

Nav2120-2DC

Available on **CUSTOM-MADE** situations.

*Detailed specifications are available online at: <https://ling-ee.com/>

PRODUCT

POWER CONVERTER

Power Converter 7A SERIES

MT-88 (7A) OVP

Input: 24Vdc - 12Vdc

MT-554 (7A) OVP

Input: 240Vac/24Vdc-24Vdc

MT-772 (7A) OVP

Input: 240Vac/12Vdc-12Vdc

MT-774 (7A) OVP

Input: 240Vac/24Vdc-12Vdc

Power Converter 10A & 15A SERIES

MT-554 (10A) OVP

Input: 240Vac/24Vdc-24Vdc

MT-772 (10A) OVP

Input: 240Vac/12Vdc-12Vdc

MT-774 (10A) OVP

Input: 240Vac/24Vdc-12Vdc

MT-554 (15A) OVP

Input: 240Vac/24Vdc-24Vdc

Power Converter 30A SERIES

MT-332 (30A) OVP

Input: 240Vac/12Vdc-12Vdc

MT-334 (30A) OVP

Input: 240Vac/24Vdc-12Vdc

MT-554 (30A) OVP

Input: 240Vac/24Vdc-24Vdc

DC POWER RECTIFIER & AUTOMATIC BATTERY CHARGERS

PC & ABC

(2 in 1)

Input: 240Vac

Output 24Vdc:

60A(10P) & charging 40A

ip-24200

Input: 440Vac 3P

Output: 24Vdc 200A

ip-24300

Input: 440Vac 3P

Output: 24Vdc 300A

DC POWER RECTIFIER & AUTOMATIC BATTERY CHARGERS

MT-3340

Input: 240Vac
Output: 12Vdc 40A

MT-5550

Input: 240Vac
Output: 24Vdc 50A

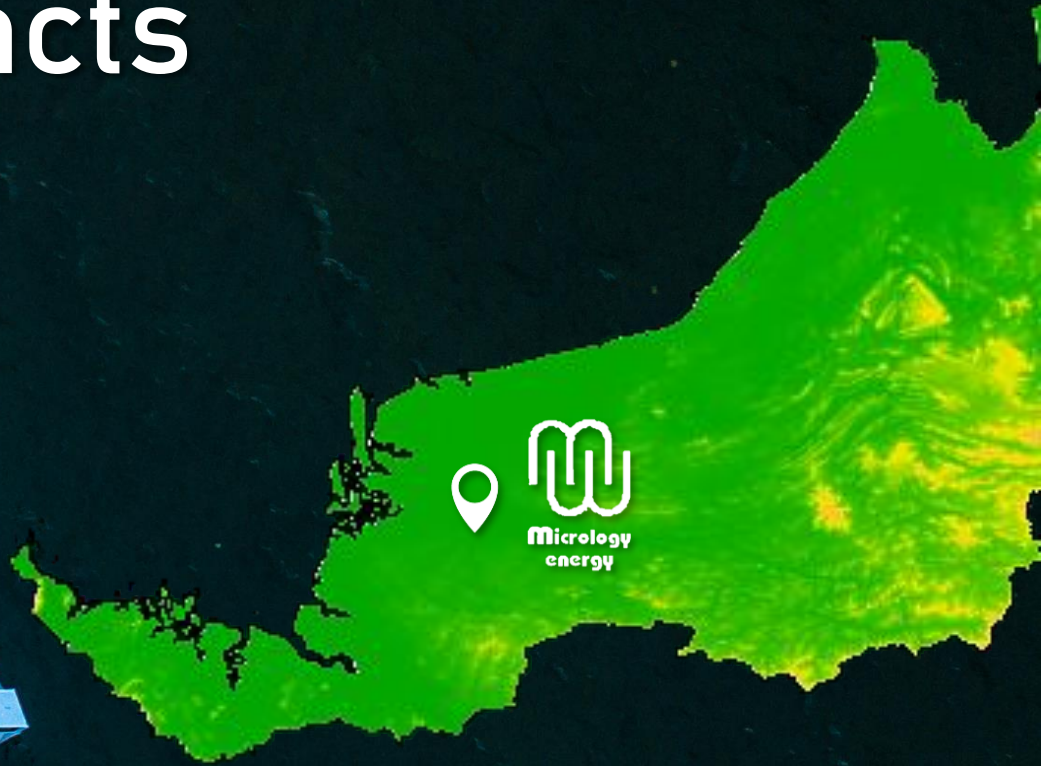

MT-5560

Input: 240Vac
Output: 24Vdc 60A

*Detailed specifications are available online at: <https://ling-ee.com/>
