### **Kings Table Food Distribution Volunteer Opportunity**

ACOA seeks Public Health Service officer volunteers (including family/friends) to assist with the King's Table Food Distribution.

#### **Description:**

The King's Table Food Ministry was established in January 2020 to support families in the community by eliminating hunger through the distribution of nutritional food and essential household items. They have different roles ranging from logistics & setup, breakdown, traffic control, guest intake, and frontline loaders (loading food into guests' vehicles), as well as backline assembly (assembling bags of produce and other items for distribution).
