Gideon Esuzor, Co-Chair-Atlanta COA Events Planning Committee

Miniature Medals

- Miniature medals are worn with all Formal Dress uniforms and Dinner Dress uniforms.
- The holding bar will permit the wear of up to five miniature medals in a row with no overlap.
- The arrangement of medals is in order of precedence from top down and from inboard to outboard within rows. All medals may be worn; however, a minimum of five must be worn by those possessing five or more. If only one row of medals is worn, it shall consist of the five senior medals.
- Remember: Ribbons for which no medals are provided are NOT worn

On the male officer's Formal and Dinner Dress Jackets, the holding bar of the lowest row of miniature medals is positioned 3 inches below the notch and centered on the lapel, parallel to the ground.

Three or more miniature medals are positioned starting at the inner edge of the lapel and extended beyond the lapel on the body of the jacket.

Dinner Dress White Jacket Uniform, Male Officer

Miniature medals are arranged in an identical manner on the Dinner Dress Blue jacket uniform for Male Officers

When worn on the female officer's Formal and Dinner Dress Jackets, the holding bar is worn in the same relative position as on the male's Dinner Dress jacket, down $\frac{1}{3}$ of the distance from the shoulder seam to the coat hem.

Each row of miniatures is $2\frac{1}{4}$ inches long from top of ribbons to bottom of medals so that the bottom of each medal constitutes a horizontal line. Upper rows of medals are positioned so that these medals cover the ribbons of the medals.
