

2022 BRANSON VETERANS WEEK

We had another great time in Branson this year. Our hospitality room facilities worked well for our group of over 20 veterans and their families (the sign-in page recorded over thirty 4th ID veterans).

The actual rooms occupied at the Grand Victoria were just under 20. Many activities kept our Redlegs busy from Wednesday through Saturday, and many of us walked in the parade on Friday, 11 November, at 1100 hours. The pizza party Friday after the parade was a great addition and will be done again on Saturday, 11 November 2023. Branson is a great place to gather with our 4th ID Veteran brothers from all conflicts and service periods. The city of Branson provides many activities, and many for free, for you and your family. It's the welcome home many of you never saw when you came home from Southeast Asia. But you won't miss it in Branson, as the streets are lined with children and families to celebrate your homecoming.

BRANSON VETERANS WEEK 2023 PLANNING

The Redlegs Chapter will again support the 4th ID National Association Hospitality Room at the Hotel Grand Victoria Hotel from November 9-12, 2023 (hospitality room open from the afternoon of the 9th until the late evening of the 11th. Rooms will be \$111/night (plus tax) and include breakfast for two each morning. Room rate available for the nights of November 5th through November 12th. If we can get 20 rooms for the period, our hospitality cost will only be \$100/day. Make your reservations early, mention you are with the 4th ID Association and request your room on the 3rd floor. The hospitality room and large parlor area are on the 3rd floor, and it would be great if we could reserve early enough to have us all on that floor. Reservations need to be made by July 14, 2023. Call 417-336-1932 to make your reservation.
