

# RESCUE BIBLE INSTITUTE

A Ministry of the Norfolk Rescue Mission

Thank you for your interest in Rescue Bible Institute.

For many years, Pastor Justin Fisher (Men's Director) and Pastor Will Perrigan (Executive Director) have been discussing their dream of opening an opportunity for the Norfolk area community to study Theology in a setting similar to a Bible college. It was always just a dream, and never a reality.

In the spring of 2022, they decided to step out in faith and get something started. This is how Rescue Bible Institute was born. The first semester (Summer 2022) classes were made available to Rescue Mission staff and their families. We had twelve students that studied Theology Proper, Bibliology and Church History 1. The first semester was successful, and we are now ready to offer this opportunity to the public.

The Rescue Bible Institute (RBI) is not a replacement or competition with your relationship with your local church. RBI is not a worship service, not a Sunday school class, and not a small group Bible study. Rather, it is our hope to provide a supplement to fill some gaps in Christian education for those who are looking for a deeper dive into the very heart of our Christian faith.
