Wayne Weiss 25 mile radius from New London	419-908-7067

Information for caller to give volunteer swarm remover:

1. Verify the bees are honeybees and not yellow jackets.
2. Where is the swarm located? Tree, porch, car, inside a wall, etc.
3. How high off the ground is it? This will assist the volunteer to know what type of ladders and equipment they will need to bring.
4. We would like the homeowner to be home when they are removed.
