Workpackage 1: Readiness

Workpackage 2: Improvement

Workpackage 3: Assurance

## ► WP1: Readiness

### **Audience**

For councils and systems preparing for CQC inspection or requiring assurance on current performance.

- Directors of Adult Social Care and statutory leads
- Governance and quality assurance leads
- Senior leaders responsible for inspection readiness and compliance

### **What this delivers**

A clear, evidence-based assessment of readiness against CQC standards and expectations.

- Honest assessment of current position. Strengths, gaps, and risks clearly identified
- Alignment to CQC framework. Evidence mapped against key lines of enquiry
- Reduced inspection risk. Early identification of areas requiring attention
- Clear improvement priorities. Focused actions to strengthen readiness
- Increased leadership confidence. Clear understanding of inspection position
- A structured improvement pathway. Defined next steps to prepare effectively

## ► WP2: Improvement

### **Audience**

This work package is ideal for organisations needing to address gaps identified through inspection or audit.

- Directors and senior leaders accountable for improvement
- Service managers responsible for quality and delivery
- Transformation and programme teams
- Governance leads overseeing performance
- System partners supporting delivery

### **What this delivers**

Targeted improvement in governance, quality, and outcomes.

- Strengthen governance. Clear accountability and oversight
- Improve consistency. Reduce variation in practice
- Deliver improvement plans. Structured and tracked progress
- Enhance outcomes. Focus on service quality and impact
- Build evidence. Demonstrate improvement clearly
- Prepare for re-inspection. Confidence in sustained progress

## ► WP3: Assurance

### **Audience**

This work package is ideal for organisations needing ongoing oversight and independent assurance.

- Executive leaders and directors
- Governance boards and scrutiny functions
- System partners requiring assurance
- Programme leads managing delivery
- Regulators and stakeholders

### **What this delivers**

Ongoing assurance that performance and governance are effective and sustainable.

- Independent oversight. Objective assessment of performance
- Continuous monitoring. Early identification of risks
- Strengthened governance. Improved transparency
- Leadership confidence. Clear line of sight on delivery
- Support regulatory engagement. Evidence for inspections
- Sustained assurance. Confidence improvements are maintained
