INTRODUCING DAN & CHRIS

Specialist expertise in risk, assurance, transformation and improvement.

DAN

25 years experience across risk, analytics and transformation.

Worked with major financial institutions and regulated organisations internationally.

Specialises in risk management frameworks including appetite, policy, reporting, stress testing and regulatory transformation.

Experienced in working directly with Boards, Executives and regulators.

Brings strong governance, assurance and strategic risk expertise to complex programmes.

CHRIS

20+ years leading transformation across NHS, local government and public health.

Led 25+ major programmes and managed £75m+ in cumulative budgets.

Delivered more than £11m in savings and efficiency improvements.

Specialises in mental health, adult social care, commissioning and governance.

Brings strategic leadership, system thinking and hands-on programme delivery.

A partnership built on insight, assurance and lasting impact.
