

ASSURANCE SUITE / A1

READINESS

Know where you stand before scrutiny begins.

A CLEAR, EVIDENCE-BASED ASSESSMENT OF READINESS AGAINST CQC STANDARDS AND EXPECTATIONS.

Designed for

For councils and systems preparing for CQC inspection or requiring an honest assessment of current performance.

- Directors of Adult Social Care and statutory leads
- Governance, quality assurance and performance leads
- Senior leaders accountable for inspection, compliance and improvement

What changes

Honest current position

Strengths, gaps and risks clearly identified.

CQC alignment

Evidence mapped against the framework and expectations.

Reduced inspection risk

Areas requiring attention identified early.

Clear priorities

Focused actions and a structured improvement pathway.

Know where you stand before scrutiny begins.

CLEAR OUTPUTS THAT MOVE THE SYSTEM FORWARD

01

Honest current position

Strengths, gaps and risks clearly identified.

CQC alignment

Evidence mapped against the framework and expectations.

02

Reduced inspection risk

Areas requiring attention identified early.

Clear priorities

Focused actions and a structured improvement pathway.

03

Leadership confidence

A shared understanding of inspection readiness.

Defined next steps

A practical route to prepare effectively.

A clear, evidence-based assessment of readiness against CQC standards and expectations.

BUILD CONFIDENCE
BEFORE INSPECTION.

Discuss a focused Readiness work
package with TMPM.

LET'S TALK

Tell us what scrutiny, pressure or redesign
challenge you need to solve.
