

ASSURANCE SUITE / A2

IMPROVEMENT

Turn identified gaps into visible, evidenced progress.

TARGETED IMPROVEMENT IN GOVERNANCE, QUALITY AND OUTCOMES - TRACKED THROUGH TO EVIDENCE.

Designed for

For organisations that need to address gaps identified through inspection, audit or internal assurance.

- Directors and senior leaders accountable for improvement
- Service managers, programme teams and governance leads
- System partners supporting delivery and re-inspection readiness

What changes

Strengthen governance

Create clear accountability and oversight.

Improve consistency

Reduce avoidable variation in practice.

Deliver the plan

Structure, track and escalate improvement actions.

Enhance outcomes

Keep service quality and impact at the centre.

Turn identified gaps into visible, evidenced progress.

CLEAR OUTPUTS THAT MOVE THE SYSTEM FORWARD

01

Strengthen governance

Create clear accountability and oversight.

Improve consistency

Reduce avoidable variation in practice.

02

Deliver the plan

Structure, track and escalate improvement actions.

Enhance outcomes

Keep service quality and impact at the centre.

03

Build evidence

Demonstrate improvement clearly and credibly.

Prepare for re-inspection

Show sustained progress with confidence.

Targeted improvement in governance, quality and outcomes – tracked through to evidence.

MOVE FROM FINDINGS TO SUSTAINED IMPROVEMENT.

Discuss a targeted Improvement
work package with TMPPM.
