

Dear Friends of Summerland School,

Summerland School's annual spring fundraiser, Wine 'n Waves, will be held this year on April 14th at Summerland Winery from 5-8pm. As with any public school, financial support from our family, friends and especially our community is extremely important. We rely on donations to provide our students with many extra tools needed to help make their early academic life as successful as possible.

In 2018, our first Wine 'n Waves event, generated almost \$10,000. This allowed the parent group to purchase new Chromebooks for all students in grades 2-5, replacing the outdated laptops the students had been using. This year's goal is \$15,000, with the hopes of being able to supply Summerland School with a physical education resource specialist and new outdoor equipment.

Reflecting on the success of last year's event, we anticipate that this year's will surpass our expectations. However, donations and sponsorships from our community are instrumental in our success.

What could you donate to this year's auction? How about gift certificates to your business, an overnight stay, or something from your store. No item is too small or unappreciated! We love to combine things from various places and make them into a one-of-a-kind gift basket.

Would you consider being a sponsor for this event? We have three levels of sponsorship opportunities. All sponsors will have their name and/or business listed on our webpage, facebook page and day of event flyers. Those submitting their sponsorships by March 1st will also be listed on event tickets, raffle tickets and event flyers
