***When Perfection Isn't Perfect*** is for all who feel they are broken, alone, have no hope in their future, and those who seek a true purpose for their life. This true story is the quintessential story of a life guided by God, but taking detours because of a human desire to choose the direction of the journey. The story takes some interesting turns from crippling childhood anxieties to a desire to end the author’s life after believing there was no future or purpose for his life. His life took a positive route after a Divine encounter and a deliberate change in perspective on my part to seek the positive aspects of life. A life story that includes an unlikely path of sports participation and an eventual perfect national collegiate football record that stands today as a testament to the amazing blessings God provides in life.

The truth is, we all are placed on this earth with a purpose: some are called to overtly great achievements others admire, while others, equally important, provide the inspiration and support making life worth living. All are intricately woven into the tapestry of life and one cannot exist without the other. This is a story of God’s grace, redemption, and the development of insight and purpose for the most unlikely individual as told by the author. It demonstrates the tools that were employed to get his life back on track with the “Farrell 15” - the core traits of empathy, support, humility, selfless service to others, and a strong belief in God’s power to overcome any obstacle in life. The author’s hope is you will be able to find life lessons in his story to enrich your life and develop a clear uplifting picture of your purpose so you can share your destiny with others to make this world a better place.

**Readers' Favorite** is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Ebubechi Anya for Readers' Favorite

As a child and young adult, Michael Farrell had a problem accepting the capabilities and numerous gifts that God had given him. Almost held back by his low self-esteem and shy nature, Michael shares how he was able to bypass this and attain the heights that God had destined for him. In *When Perfection Isn't Perfect*, Michael writes about his life experiences and the struggles he faced to achieve the feat of being a very accomplished placekicker in the history of NCAA Division III. *When Perfection Isn't Perfect* contains Bible verses and motivational quotes that Michael uses to encourage and enlighten his readers. It also contains pictures of Michael Farrell at different stages of his life.

I loved *When Perfection Isn't Perfect* because it is real and honest. Michael Farrell shows us the different stages of his growth in football. This reinforces the value placed on hard work, determination, and diligence. I also love the way Michael talked about his challenges and how he was able to surmount them. *When Perfection Isn't Perfect* is a book that encourages Christians to depend on God and lean on Him for every problem they may encounter in life. I love the fact that the book provides words of wisdom and nuggets to help one live a successful and fulfilling life. This is a book that I would encourage every believer in the Christian faith who is going through difficult times to read. This is a good book from Michael Farrell."
