NEW PROJECTS

FSCE is worked closely with the Source Building Group and Satterfield & Pontikes Construction through the Regional Black Contractors Association to recruit qualified sub-contractors, experienced Tradesmen and skilled laborers in an effort to meet minority participation objectives for the new 22 million-dollar South Dallas Government Center. (2019-2020)

First Step Construction Services is the developer and builder of two duplexes in Pine Bluff, Arkansas. First Step Workforce Services will hire tradesmen and other skilled positions, including general laborers, and Groundbreaking will take place in June 2021.
