5K is \$20/runner and registration @ 9:30, race starts @ 10am

Community center will do food (maybe pizza) and possibly music.

## -Trunk or Treat

10/29 3-5pm

The community center, BNML, the outdoor classroom, and the rec are all working together for Halloween!

Trunks in front of BNML and contest for your fav as usual, plus a few new things:

a scarecrow contest, and jack-o-lantern contest, both are a make at home and display for the evening with prizes to win.

Outdoor classroom is doing soup as usual and a haunted high tunnel.

We would love to have volunteers dressed up around the paths handing out candy (that we can provide). High School kids who need community service are welcome to help!
