1. Meeting commenced at 6pm with budget wrap up for 2018.
2. Moe reviewed what's happening with roads. Still having issues with the 2012 truck. 550 now has studded front tires and chains for the back. James' truck is going to the shop on Wednesday. Moe's truck is seeping fluid. It' will go in after James'. Both under warranty.
3. Library trustees came to discuss the library budget for 2019. Showing a 13% increase over last year. We will look at the overall town budget and see how it looks. All of the increase is salary and benefits. No increases last year.
4. Charlie made a motion to approve the minutes. Gene seconded. All in favor.
5. Chester Arthur/North Road light is not working at all. Still waiting on a fix.
6. City of St. Albans/Northwest Regional Planning is applying for a grant to create an online event planner for the area. They want a letter of support from us. Tom signed.
7. Corey Parent sent a letter and said he's hoping to visit soon.
8. Salt Shed mural pant job needs a person to coordinate the project. Much less paintable space than anticipated. Probably not happening.
9. Traffic ordinance update signed.
10. Charlie made a motion to approve the warrants and to adjourn. Gene seconded. All in favor.

These minutes exist in draft form until approved by the Select Board.
